Ms. Kitching,

I inadvertently filed the entire documents with sensitive financial information included. Can it be removed from the public viewing system? If only my cover letter is filed, that would suffice for me to show delivery of the documents to the Appellant. I didn't realize that the financial documents were never redacted by the bank.

I'm happy to supplement this request with appropriate motions, but I am in court this morning. Obviously, minimizing the amount of time my clients' information is posted is my primary objective.

Best,

Sam Wheeler

Ms. Kitching,

Today, the Court issued an order requiring my clients to provide certain information to the Appellant for her to include in the record on appeal.

Attached is proof of my compliance with that order, which I would greatly appreciate being filed. I would also appreciate a stamped copy of this filing be returned by email.

I'm serving all Respondents by way of this email. The Appellant is not copied on this email, and I will mail a physical copy to her.

Please do not hesitate to contact me with any questions.

Thank you.

Best,

Sam Wheeler
