Mr. Field

Thank you for letting me know about the Bartlett transcript. I apologize for not looking at that more carefully. It was a public hearing like yours, so there's no violation in your receiving it. However, I would ask that you delete it.

I have located your file, and I would estimate your transcript to be approximately \$100.

The opposing party has not ordered the transcript at this time, so you would be responsible for paying for the sealed original transcript and your hardcopy. Had the opposing party already ordered the transcript, they would have paid for the sealed original and you would only pay for a copy. Once delivered, the original transcript remains in your custody and sealed until the Judge or someone is instructed by the Judge to open the sealed transcript at your next hearing or an appeal.

Also, since you are not an attorney in "good standing," I require you to prepay the transcript by certified check or money order made out to me, personally. You may send/deliver your payment to me in care of the Master in Equity's office or to my address below. I will not begin working on your transcript until your payment is received in full. If I have underestimated the cost of the transcript, you will be required to pay the difference before receiving the completed transcript. If I have overestimated your transcript, a refund check will be included with your transcript when it is mailed to you via Priority Mail. An electronic copy of the transcript will be emailed to you once the transcript is complete so long as full payment is received.

I have several requests ahead of yours. I would anticipate having this transcript completed in four to six weeks from the time payment is received. I'll wait to hear from you. Please feel free to contact me if you have any questions.
