Re: East Cherry Grove, LLC v. State of SC et al. Appellate Case No. 2021-000078  
Request for Extension as to State's Initial Reply and any additional designations

Dear Ms. Kitchings:

I respectfully request an extension of time of 10 days to serve and file the State's initial reply brief and any additional designations of matter for the record. If Respondents file their brief when due on June 28, the State's filings would be due on July 8. With the extension, the State's reply and designations would then be due Monday, July 19. I am making this request because I will be on family vacation the week of June 27, July 5 is a State holiday, and I will be out of town for a hearing on July 7 leaving little time to prepare these documents without an extension.

For the foregoing reasons, I respectfully request an extension of time to July 19. I respectfully request that the current deadline be held in abeyance while this request is considered.

Respectfully submitted,
