Your honor,

....In addressing the Return of Appellants counsel I want you to understand the manipulation of words and the lack of regard of the Appellants attorney for your own Clerk of Court's Deficiency Letter, dated 05/18/2021.

.... That he must (comply) with it's not my motion that must be followed it's the Court. And does an attorney have the power beyond the Court in the rule of law or is it the Judge's ruling that is the official determination?

..... I am copying and paste, the Court's own Deficiency reply brought forward which clearly states my (name) is supposed to be on this appeal. My reply was after this Deficiency Letter. Simply put your honor the truth.
