To: The SC Court of Appeals
Clerk of Court Attn: Sierra Ritchie

From: Kelvin Wayne Crosby

Waynesville, NC 28786

Your honor to the Court,

I am in my legal right to file a Motion or petition to correct the Caption as written to include the way it should be as A..... Legal beneficiary, accurately written by the exhibit of document Dated 05/18/2021 Deficiency letter to Appellant. My petition or motion was after that on 05/24/2021.

My brief is clear and concise.

One.....I have discussed with my brother's counsel and agree without reservation he as well serves my best interests without legal representation.

Two.....I, Kelvin Wayne Crosby as a legal beneficiary have no trust, faith, belief in the integrity of Rose Walsh as the Personal Representative. She should be removed and have no access to funds of the estate while this appeal is ongoing.

Three....That Rose Walsh made untrue statements at the original hearing on 05 December 2018 and her untruths effected any belief that she would safeguard my estate funds to my benefit. I read it in it's entirety.

Four... That there is an underlying written jargon to justly see the real truth of this matter. It does and is not within the boundaries of the rule of law.

Five.... Rose Walsh's removal is needed as the Personal Representative.

Sincerely,

Kelvin Wayne Crosby, Beneficiary of the estate of Annie Mae Crosby
Disabled USAF and Army veteran
