Appellant, *Pro Se*

**RESPONDENTS' MOTION FOR EXTENSION OF TIME TO FILE RESPONDENTS' FINAL BRIEF IS BASED ON THE FOLLOWING GROUNDS:**

1. Appellant, who is appearing in this matter *pro se*, hand delivered her proposed Record on Appeal to Respondents counsel's office on or about May 27, 2021.
2. Upon further review of the proposed Record on Appeal, Respondents submit that it contains documents/records and/or other information not contained in the record below before the Workers Compensation Commission; therefore, submission of this proposed Record on Appeal to the Court is improper.
3. Defendants have filed a separate Motion to Strike portions of the Appellant's proposed Record on Appeal that were not part of the record below and/or are otherwise improper under the appellate court rules.
4. In the meantime, Respondents' Final Brief is due on June 15, 2021. However, Respondents cannot cite appropriately to the Record on Appeal to their final brief in accordance with the SCACR pending a disposition of their outstanding Motion to Strike.
5. Counsel for Respondent therefore respectfully requests an extension of time to file the Respondents' Final Brief until the Motion to Strike has been ruled upon by the Court to ensure proper citation to the Record on Appeal;
6. This is Respondents' first motion for an extension of time with respect to filing the Respondents' Final Brief; AND
7. This motion is not being made for purposes of delay; rather scheduling conflicts have necessitated this request.

Respectfully Submitted,

---
