S.C. SUPREME COURT

Re: Jaquese Kavon Hyatt, Petitioner, v. State of South Carolina, Respondent.  
App. Case # 2021-000296

Dear Mr. Shearouse,

This letter is to update the Court on the correspondence sent to Petitioner Jaquese Hyatt regarding his *pro se* filings and the Consent Motion to Withdraw as Counsel.

Via certified mail requiring signature, our office mailed a package containing all of the documents filed with this Court May 5, 2021 to Mr. Hyatt, including a copy of our Return to his *pro se* filings, the Consent Motion to Withdraw as Counsel for his signature, an original of the letter explaining the procedure, etc. The tracking number associated with the package sent to Mr. Hyatt via certified mail is as follows: 70160600000072964044.

Our office inexplicably received the package back as undeliverable on June 14, 2021. The inexplicable return of the package was anticipated due to regular checking of that tracking number.

Accordingly, I resent the very same contents of the package to Mr. Hyatt, and its tracking information (tracking number 9405503699300405809870) demonstrates it was delivered to Lee Correctional Institution on June 9, 2021.

Please do not hesitate to contact me if you have any questions.

Thank you.

Sincerely,

/s/ Lauren C. Hobbis
