Re: **Timothy Saj v. Haven at Regent Park**  
**2020-001225**

Dear Ms. Kitchings,

This firm represents respondents in the above-referenced action. I am writing to respectfully request that this matter be formally dismissed as Appellant has failed to comply with the Order entered by the Court on May 5, 2021. Upon information and belief, Appellant has failed to file his initial brief and designation of matter. To date, neither myself, as counsel, nor my client have been served with Appellant's initial brief and designation of matter. While leeway is generally given to *pro se* litigants, Appellant has been provided numerous extensions of time and additional opportunities to comply with the rules of this Court. Yet, Appellant continues to fail to follow the direct orders of this Court. It is for these reasons, we ask that this matter be dismissed.

Thank you for your time and attention to this matter. If you have any questions, please don't hesitate to contact me directly.

Sincerely,

Samantha Simpson
