MOTION FOR EXTENSION OF TIME TO SERVE AND FILE INITIAL BRIEF
AND DESIGNATION OF MATTER TO BE INCLUDED IN RECORD ON
APPEAL

Appellant hereby moves pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file her initial appellant's brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. Appellant's initial appellant's brief and designation of matter are due today, June 18, 2021. If this request for an extension is granted, this

initial brief and designation of matter to be included in the record on appeal will be due on July 19, 2021.

2. This is the third extension sought of this deadline.
3. The undersigned counsel has had to attend to a number of work matters that have interfered with his ability to spend the time needed to review the record and draft the brief. A brief in another appeal, for example, is due today.
4. Appellant believes there is good cause to grant the requested extension.
5. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellant prays for an order extending the time in which to serve and file her initial appellant's brief and designation of matter to be included in the record on appeal by 30 days, to July 19, 2021.

Respectfully submitted,
