RE: Deficiencies

Dear Ms. Kitchings

I am enclosing your last letter acknowledging receipt of the corrections outlined in the last letter I received from your office dated June 10, 2021. I do not understand how there is still deficiencies when I have done every step you outlined and corrected every matter as required in your letter.

However, out of an abundance of caution I am enclosing another corrected title page on the title page for the record of appeal. As far as pagination I received the copy you returned of the final brief and paginated the brief as requested and sent such back to you as requested.

I am not a lawyer or have access to materials to allow me to continue anymore corrections which are deemed deficient. As such if what I have enclosed is not enough then I ask your office to return the filing fee of 200.00 dollars I sent and I'll seek review in another Court. Thank you for your time and assistance.

Sincerely

*Buddy Newsome*

Appellate Case No. 2020-001512

Dear Mr. Newsome:

The Court sent a deficiency letter on April 27, 2021 in regards to the Record on Appeal. To date, the Court has not received the deficiency corrections of proper pagination and a corrected title on the title page for the Record on Appeal. This is the Court's third request for these corrections. Failure to serve and file these deficiency corrections within ten (10) days will result in the dismissal of this appeal.

Very truly yours,
