Re: Craig B. Stoneburner v. George Moluf, III  
Appellate Case No. 2021-000576

Dear Ms. Kitchings:

I represent the Appellants in the above referenced matter and respectfully request pursuant to Rule 263(b) SCACR that the court to grant a 30 day extension to Appellant to file and serve Appellant's initial designation of matter and Appellant's initial brief which otherwise is due on Friday, June 25, 2021 by my calculations. The grounds for this motion are that I have been on vacation during part of this time and also have a heavy and demanding case load. This is Appellant's first request for an extension. I have been unable to contact opposing counsel to find out his position on this request, but I am copying him with this correspondence.

If the court grants the extension, Appellant's initial brief and designation of matter would be due on Monday, July 26, 2021. I also enclosed our firm check for \$50.00 for the filing fee. Please let me know if a formal motion for extension is required and I will promptly file one.

Respectfully submitted,

Walter B. Todd, Jr.
