RE: Thomas C. Heaton v. State of South Carolina
Appellate Case No: 2011-205087

Dear Mr. Shearouse:

I am in receipt of your April 1, 2013 letter advising that the appeal listed above will likely be considered during the June 2013 term of the Court. Please be advised that the only scheduling conflict that I have for the dates the Court will convene is an argument the South Carolina Court of Appeals indicates it will schedule during the June 2013 term in State v. Rethea Sturdivant

Sincerely,

Salley W. Elliott
Senior Assistant Deputy Attorney General
