Re: South Carolina Electric and Gas Company. v. Wendell Norris  
Appellate Case No. 2021-000039

Dear Mr. Norris:

Upon further review, the Court has determined that the designation of matter has been filed along with the appellant's initial brief. Please disregard this Court's letter dated June 1, 2021.

Furthermore, the appellant has provided designated material along with the appellant's initial brief and designation of matter. According to Rule 209 of the South Carolina Appellate Court Rules (SCACR), "...the Designation may only propose to include portions of the transcript, pleadings, orders, exhibits, or other materials which may be properly included in the Record on Appeal." You will need this material to prepare the Record on Appeal. Therefore, we are returning the designated material to you.

Very truly yours,

  
CLERK
