Re: Protopapas, as Receiver for Starr Davis Company v. Travelers Casualty and
Surety Company
Appellate Case No. 2021-000648
Request for Extension for Filing Opening Brief and Designation of Matter

Dear Ms. Kitchings:

On behalf of the Appellants in the above-referenced appeal, we write to request an extension of thirty days to file the Appellants' opening brief and designation of matter due to counsel's current workload and longstanding vacation schedules. The Appellants' current deadline for its opening filings is July 19, 2021, and it has not previously been extended. If granted, the Appellants' new deadline would be August 18, 2021.

We are e-filing this letter pursuant to Rule 262(a)(3), SCACR, and Section (c)(5) of Supreme Court Order 2020-05-29-02. Pursuant to that same section, we shall mail the filing fee that accompanies this request within five days of this filing.

We are also serving this letter via email on counsel for the Respondents, as permitted by Section (g)(3) of that Order.

We appreciate the Court's consideration of this request. If we can provide any additional materials or information, please do not hesitate to call on us.

Best regards,

/s/ M. Todd Carroll
