- Having found violations on the above affidavit's/Warrants before me,
I do believe the Arrest Warrants/charges are to be vacated or dismissed
on misconduct by the 12th Circuit District Court with Criminal Procedure
and Provisions and regulations issuing warrants.

Appeal Argument

- 1) The 12th Circuit Court is allowing only a affidavit to appear in front of a Judge and by-passing the S.C. Attorney General "True Grand Jury Indictment Stamp".
- 2) Overacts also included not limited to following, the court is not putting forthwith "8" jurors on a stand and present all the evidence the County of Florence, SC has against the accused defendant before jailing him, she, or a group of people.
- 3) This creates a "Bias" Imprisonment" and cruel and unusual Punishment violating my 4th Amendment. This act causes a free defendant awaiting non-indicted offenses to lose bail bond money, and freedom to purchase a paid attorney rather than a State appointed one.
- 4) This also violates due process and rights to an effective assistant of counsel causing one to be prejudice to be applied and effected blasly and unethical
- 5) This is happening at a high rate in the 12th Circuit court in Florence, SC and needs immediate attention and correction by the Superior Supreme Court Justices at the U.S. Justice Department.
- 6) Moreso, the Soilstop office, 12th Circuit Courts, court rosters as well as pervious filed warrants or indictments needs serious examination, and a cross-check further examination of True Grand Jury Indictments from S.C. Attorney General will prove violations in comparsion to the Courts misconduct and inadequate violations.

7) In closing I believe the above warrants the affidavit/charges to be vacated or dismissal.

Summary of Violations

- No true Grand Jury Stamp on Affidavit/Warrants
- No Preliminary hearings are being held even when formed is properly filled within 10 day limitations
- Languishing in jail over 60-90 days awaiting bond or longer
- Violation of due Process
- State appointed lawyers not filling the motions asked
- Bonds being revoked or not given
- Violation of Speedy Trial within the "opening of courts since Aug, 2021"
- Court violating states and criminal Procedure
