Re: McMillan Pazden Smith, LLC v. Donza H. Mattison etc.,  
Appellate Case No. 2021-000365

Dear Ms. Kitchings:

Pursuant to Rule 207(a)(1), SCACR, I am attaching copies of the correspondence my office has had with the court reporter in the above-referenced appeal. We received the transcript on Monday, June 21, 2021. There was apparently some miscommunication with the court reporter about the payment for the transcript, because we never receive an invoice or an estimate cost of preparing the transcript prior to June 21, 2021. By copy of this letter as indicated below, I am also furnishing counsel for Respondent and Court Administration with this correspondence.

I understand that the deadline for serving the Initial Brief of Appellant and Designation of Matter to be Included in the Record on Appeal is Wednesday, July 21, 2021, based on the date I received the transcript.

If you have any questions or need anything else, please do not hesitate to call me or email me.

Sincerely yours,

David E. Rothstein

I had not received any payment for this transcript, but you may not have known that amount if you didn't hear back from me so as soon as I get to the office Monday I will get that to you as well as type it this week after court so you will have it by the end of the week. thanks for checking in, if you ever don't hear from me please check back as I try to reply within the week with an estimate. And my number below is available any time, even for a text.

Thanks and if I were not out of town I would type it this weekend, but just as soon as I return I will get started.
