Re: Tysean Edmondson, #372301 v. State  
Appellate Case No. 2021-000551  
PCR APPEAL

Dear Mr. Shearouse,

I show the deadline for the petition and appendix in this case to be due on July 14, 2021. In order to attend to family matters in Mississippi I will be out of the office next week. My scheduled vacation to visit with my son and friends in Montana is scheduled for July 9th through the 25th. Because I will be out of the office a week earlier than expected I will not be able to complete the petition and appendix by the present deadline. As a result I am in need of additional time in which to file and serve the petition and appendix. I am hereby requesting an extension of thirty days from the present deadline in which to do so. Because this is a first request for an extension in the case I am making it by letter request. It is my understanding that no filing fee is required for this request. If I need to do anything else in regards to this request please let me know.

Respectfully submitted,

s/J. Falkner Wilkes, 12893
