### FINDINGS OF FACT

Having observed the witness and closely passed upon his credibility, taking into consideration the burden of persuasion by the parties, I make the following findings of fact by a preponderance of the evidence:

Notice of the date, time, place, and subject matter of the hearing was timely given to the parties.

On March 1, 2020, at approximately 4:00 a.m., Trooper Brazell was patrolling on Interstate-26, near the Piney Grove/St. Andrews Exit in Lexington County, South Carolina. He got behind a Kia sedan that was having a hard time maintaining its lane of travel. He activated his in-car camera and followed the vehicle for approximately two miles. He observed the vehicle weaving in and out of the emergency lane and in and out of his lane of travel. Trooper Brazell then initiated a traffic stop at the 104 westbound exit (Piney Grove Exit). He then approached the vehicle and identified the driver as Respondent, who was the sole occupant of the vehicle. When asking Respondent for his driver's license, Trooper Brazell had smelled the odor of alcohol coming from Respondent's breath. Trooper Brazell then asked Respondent whether he had consumed any alcohol, to which Respondent replied that he had had a few drinks and that he was trying to make it back home, which was a few more miles down the road. Trooper Brazell also noticed that Respondent's eyes were red and glossy. He then asked Respondent if he would consent to a standardized field sobriety test, and Respondent consented.

During the horizontal gaze nystagmus (HGN) test, Trooper Brazell noticed HGN in both of Respondent's eyes and again observed Respondent's red, glossy eyes and smelled the odor of alcohol coming from his breath. During the one-leg stand test, Respondent was unsteady on his feet, had to use his arms for balance, had to start over several times, and almost fell over on the side of the roadway. Trooper Brazell then placed Respondent under arrest for driving under the influence (DUI) and transported him to the Lexington County Detention Center (LCDC).

While at LCDC, Respondent was read his implied consent rights. After the twenty-minute observation period, Respondent refused to provide a breath sample. Respondent was then charged with DUI, First Offense.

There was no video footage available of Trooper Brazell following Respondent, the traffic stop, the SFST, the arrest, or his advisement of the *Miranda* rights. Trooper Brazell testified that the reason for this was that although the video was on and appeared to be working

properly at the time, when he went to make a copy of the video for the case file a few days after the incident at issue, he discovered that his camera had malfunctioned, making him unable to make copy of the video. He immediately went to SCDPS's facility on Shop Road to have the video looked at, per department policy. They changed the camera out, but they were unable to retrieve the video footage off the hard drive. He also testified that the camera was working at the DataMaster room, though. He did not provide a copy of the video footage from the DataMaster room but pointed out that it was available to Respondent's counsel on the State Law Enforcement Division (SLED) website. Trooper Brazell also testified that he had completed an affidavit about the video malfunctioning and included it and work orders from the shop that inspected the camera in the case jacket that he gave to the solicitor. Respondent's counsel noted that he had not received discovery from the solicitor's office pursuant to his Rule 5 motion (per the South Carolina Rules of Evidence (SCRE)).

#### CONCLUSIONS OF LAW

Based upon the above Findings of Fact, I conclude as a matter of law the following:

In S.C. Code Ann. § 1-23-600 (Supp. 2019), the General Assembly provided for the creation of the South Carolina Division of Motor Vehicle Hearings. Effective January 1, 2006, the DMVH was authorized to employ Hearing Officers to preside over contested case hearings involving suspensions, cancellations, or revocations of drivers' licenses. The name of the DMVH was changed to the Office of Motor Vehicle Hearings (OMVH) effective October 1, 2008.

All hearings presided over by Hearing Officers of the OMVH must be conducted in accordance with the Administrative Procedures Act (APA) and the rules of procedure of the OMVH. A filing of a request for a hearing stays the suspension until a final decision is issued. S.C. Code Ann. § 56-5-2951(G).

Appeals from final decisions of the Hearing Officers will be to the SCALC in accordance with S. C. Code Ann. § 1-23-600 (Supp. 2019).

Petitioner DMV is an administrative agency of the State of South Carolina which is charged with administering its motor vehicle laws and delivering accurate and secure credentials and transaction documents to the citizens of this state. S.C. Code Ann. § 56-1-5 (2018).

Basic administrative law principles establish that an agency bears the burden of proof in an enforcement action. *See Peabody Coal Co. v. Ralston*, 578 N.E.2d 751 (Ind. Ct. App. 1991); Randy R. Lowell and Stephen P. Bates, *South Carolina Administrative Practice and Procedure*,

200-201 (2004). Since DMV asserts the affirmative of an issue, i.e. the enforcement of a driver's license suspension, and since it will be subject to an adverse ruling if no evidence is introduced, DMV bears the burden of proof in this enforcement action. See Alex Sanders and John S. Nichols, *Trial Handbook for South Carolina Lawyers*, Second Edition, 2001, § 9:3, p. 366.

Pursuant to S.C. Code Ann. § 56-5-2930 (2018), it is unlawful for a person to drive a motor vehicle within this State while:

- a. under the influence of alcohol to the extent that the person's faculties to drive are materially and appreciably impaired;
- b. under the influence of any other drug or a combination of other drugs or substances which cause impairment to the extent that the person's faculties to drive are materially and appreciably impaired; or
- c. under the combined influence of alcohol and any other drug or drugs or substances which cause impairment to the extent that the person's faculties to drive are materially and appreciably impaired.

S.C. Code Ann. § 56-5-2950(A) (2018) provides:

A person who drives a motor vehicle in this State is considered to have given consent to chemical tests of his breath, blood, or urine for the purpose of determining the presence of alcohol or drugs or the combination of alcohol and drugs if arrested for an offense arising out of acts alleged to have been committed while the person was driving a motor vehicle while under the influence of alcohol, drugs, or a combination of alcohol and drugs. A breath test must be administered at the direction of the law enforcement officer who arrested [the] person....

Furthermore, the breath test must be administered by a person trained and certified by Petitioner pursuant to State Law Enforcement Division (SLED) policies. S.C. Code Ann. § 56-5-2950(A) (2018).

S.C. Code Ann. § 56-5-2950(B) (2018) further provides:

No tests may be administered or samples obtained unless upon activation of the video recording equipment and prior to the commencement of the testing procedure, the person has been given a written copy of and verbally informed that:

- (1) he does not have to take the test or give the samples, but that his privilege to drive must be suspended or denied for at least six months if he refuses to submit to the test and that his refusal may be used against him in court;

- (2) his privilege to drive must be suspended for at least one month if he takes the tests or gives the samples and has an alcohol concentration of fifteen one-hundredths of one percent or more;
- (3) he has the right to have a qualified person of his own choosing conduct additional independent tests at his expense;
- (4) he has the right to request an administrative hearing within thirty days of the issuance of the notice of suspension; and
- (5) if he does not request an administrative hearing or if his suspension is upheld at the administrative hearing, he must enroll in an Alcohol and Drug Safety Action Program.

Upon motion by any party, the OMVH Hearing Officer may review the application of the policies, procedures, and regulations promulgated by SLED. If the Hearing Officer finds that the failure to follow any of the policies, procedures, regulations or other provisions of S.C. Code Ann. § 56-5-2950 materially affected the accuracy or reliability of the test results or the fairness of the testing procedure, the test results shall be excluded from evidence. The Hearing Officer must rule specifically as to the manner in which the failure materially affected the accuracy or reliability of the test results or the fairness of the procedure. *See* S.C. Code Ann. § 56-5-2950(J) (2018).

If a person drives a motor vehicle and has an alcohol concentration of fifteen one-hundredths of one percent or more, Petitioner must suspend the person's driver's license, permit, or nonresident operating privilege or deny the issuance of a license or permit to that individual. The arresting officer shall issue a notice of suspension that is effective beginning on the date of the alleged violation. *See* S.C. Code Ann. § 56-5-2951(A) (2018).

A person may request an administrative hearing within thirty (30) days of the issuance of the notice of suspension. S.C. Code Ann. § 56-5-2951(B) (2018). Section 56-5-2951(F) requires that the scope of the hearing be limited to whether the person:

- (1) was lawfully arrested or detained;
- (2) was given a written copy of and verbally informed of the rights enumerated in Section 56-5-2950;
- (3) refused to submit to a test pursuant to Section 56-5-2950; or
- (4) consented to taking a test pursuant to Section 56-5-2950, and the:
  - (a) reported alcohol concentration at the time of testing was fifteen one-hundredths of one percent or more;
  - (b) individual who administered the test or took samples was qualified pursuant to Section 56-5-2950;
  - (c) tests administered and samples obtained were conducted pursuant to Section 56-5-2950; and

(d) the machine was working properly.

Nothing in this section prohibits the introduction of evidence at the administrative hearing on the issue of the accuracy of the breath test result.

At the close of the evidence, Respondent's counsel argued that the suspension of Respondent's driver's license or driving privilege should be rescinded because S.C. Code Ann. § 56-5-2953 (2018) mandates that there be a camera and that the camera must be activated as soon as the blue lights are activated. He also argued that the *Miranda* rights and field sobriety tests must also be done on camera. Counsel acknowledged that this was not a criminal trial but argued that without being able to establish the threshold of the lawfulness of the arrest, including whether his *Miranda* rights and all had been videotaped, it would not be fair for Respondent to then lose his driver's license for refusing to take the test. He further argued that the sworn affidavit regarding the video malfunction had not been produced, even though the trooper said it was available. When asked if Respondent had subpoenaed the affidavit (via Rule 12(A) of the Rules of Procedure for OMVH (OMVH Rules)), counsel responded that the burden to produce the affidavit was on Petitioners.

Trooper Brazell responded by stating that he had turned over everything in a case jacket to the solicitor, which is what they do in all cases, and that this was available to counsel to pick up from the solicitor. Trooper Brazell argued that the sworn video affidavit, the work order from the repair shop for his video was included in this material and could have been picked up by counsel. He again stated that the video appeared to be working to his knowledge at the time of the incident at issue; and he took all of the necessary steps after discovering the malfunction to retrieve the video footage, including taking it to the repair shop, but was unable to retrieve it and provide a copy of it.<sup>1</sup> He further stated that the video footage of the refusal is available online on SLED's website, and counsel noted that it was not at the hearing, either.

I conclude, as a matter of law, that Petitioners have met the burden of proof pursuant to S.C. Code Ann. §§ 56-5-2950 and -2951. Respondent was lawfully arrested for driving under the influence. Trooper Brazell saw Respondent driving erratically, weaving in and out of his lane of traffic and the emergency lane. This provided Trooper Brazell with reasonable suspicion to

---

<sup>1</sup> Counsel then attempted to offer into evidence a copy of his Rule 5 Motion for Discovery served on the solicitor on March 18, 2020, but the evidence was closed at that point, and Trooper Brazell did not consent to have it reopened because he had not been served with it. I will note, however, that counsel had already stated on the record that he had served the Rule 5 motion; and though the statement could have been stricken as inappropriate testimony from counsel on cross-examination, it was not objected to during the hearing.

initiate the traffic stop. Upon the traffic stop, Respondent admitted that he had had a few drinks before driving towards home a few miles away. Trooper Brazell noticed that Respondent's eyes were red and glossy, and that his breath smelled of alcohol. Respondent also performed poorly on the SFSTs by demonstrating HGN in both of his eyes, failing to maintain his balance without the aid of his arms, having to restart the test several times, and nearly falling down. Thus, I find that there was probable cause for the arrest based on Trooper Brazell's testimony and the totality of the circumstances.

Further, I conclude that Respondent was advised of his implied consent rights on video based on the testimony of Trooper Brazell, which I find to be competent evidence. Respondent then refused to give a breath sample.

Respondent's argument that Petitioners have failed to meet their burden of proof is based on the premise that Section 56-5-2953 applies in an administrative implied-consent contested case hearing and sets that burden; however, this notion is mistaken. A DUI case and an administrative suspension hearing relating thereto are separate and distinct. *See State v. Kerr*, 330 S.C. 132, 149, 498 S.E.2d 212, 220 (Ct. App. 1998). Thus, the disposition of a DUI case does not automatically dispose of the administrative hearing, or vice versa. The scope of administrative implied-consent contested case hearings is governed by Section 56-5-2951, whereas the scope of criminal DUI cases are governed by Section 56-5-2953.

An administrative hearing is not a trial for DUI, driving with an unlawful alcohol concentration (DUAC), or felony DUI, and Section 56-5-2951 reflects this distinction when it states in subsection 56-5-2951(B) that "[t]he provisions of this subsection do not affect the trial for a violation of Section 56-5-2930, 56-5-2933, or 56-5-2945." Indeed, the video (or alternate affidavit where video equipment is inoperable) requirements for offenses falling under these provisions (DUI, DUAC, and felony DUI, respectively) are set forth in a separate section: S.C. Code Ann. § 56-5-2953 (2018). The penalty for failing to produce the video at a trial in these cases (absent certain exceptions, including the sworn affidavit where video equipment is inoperable) is dismissal of the case. However, no such language requiring the submission of video footage or affidavit evidence appears in Section 56-5-2951 (or any penalties for failure to do so). Rather, the scope of an administrative implied-consent contested case hearing where, as here, a refusal is at issue is limited to whether the driver "(1) was lawfully arrested or detained; was given a written copy of and verbally informed of the rights enumerated in Section 56-5-

2950; [and] refused to submit to a test pursuant to Section 56-5-2950[.]” S.C. Code Ann. § 56-5-2951(F)(1)-(3). *See S.C. Dep’t of Motor Vehicles v. Nelson*, 364 S.C. 514, 525, 613 S.E2d 544, 550 (Ct. App. 2005) (concluding that the requirements for suspension for a refusal in an implied consent hearing consists of those elements included as a prerequisite to a license suspension under Section 56-5-2951(F)); *see also Williams v. S.C. Dep’t of Motor Vehicles*, S.C. Admin. Law Ct., docket no. 12-ALJ-21-0420-AP (Oct. 21, 2013) (holding that compliance with the provisions of Section 56-5-2953 is not at issue in an administrative hearing for an implied consent suspension).<sup>2</sup>

Section 56-5-2951(F)(2) requires, as part of the scope of administrative implied-consent contested case hearings, that Petitioners must demonstrate that the driver was “given a written copy and verbally informed of the rights enumerated in Section 56-5-2950.” Section 56-5-2950(B) states, in pertinent part, “No tests may be administered or samples obtained unless, upon activation of the video recording equipment and prior to the commencement of the testing procedure, the person has been given a written copy of and verbally informed [of his or her implied consent rights].” Though this language does suggest that the advisement of a driver’s implied consent rights must be done on video, i.e., “upon activation of the video recording equipment ...[.]” just as it must also be done before commencing the testing procedure, I find no requirement in Section 56-5-2951 that the actual video footage of this advisement be submitted into evidence at the hearing in order for Petitioners to carry their burden of proof. To the extent Section 56-5-2950(B) requires the advisement of implied consent rights to be given on video in order to be valid in a refusal case, I find that Trooper Brazell’s testimony that such advisement was made on video to be sufficient evidence to satisfy that requirement and shift the burden to Respondent to prove that it was not.<sup>3</sup>

---

<sup>2</sup> To highlight yet another distinction between criminal DUI cases and administrative implied-consent hearings is with respect to *Miranda* rights. Respondent argues that those rights must be given on video, which is required in criminal DUI cases under Section 56-5-2953. However, evidence of the advisement of *Miranda* rights, let alone advisement thereof on video, is not even required in implied consent hearings. *See Hill v. S.C. Dep’t of Motor Vehicles*, S.C. Admin. Law Ct., 2008 WL 4659526, \*8 (Sept. 18, 2008) (“[T]he *Miranda* warnings are not and cannot be superimposed on Implied Consent proceedings.”). Rather, *Miranda* applies only in “criminal cases in which the prosecution seeks to *admit confessions or less than voluntary incriminating statements*.” *Id.* (emphasis in original). Implied consent hearings are not criminal cases, and implied consent suspensions are not part of criminal punishment. *Id.* (citing *State v. Price*, 333 S.C. 267, 510 S.E. 2d 215 (1998); *Parker v. State Highway Dep’t*, 224 S. C. 263, 78 S. E. 2d 382 (1953)).

<sup>3</sup> Indeed, Trooper Brazell’s testimony that he read Respondent his implied consent rights on video is sufficient to satisfy Section 56-5-2951(F)(2) even without the advisement of implied consent rights form being in evidence absent a showing by Respondent of prejudice, which was not done in this case. *See Taylor v. S.C. Dep’t of Motor*

Moreover, even had Trooper Brazell been required to produce the video footage from the breath-test site at the hearing, Respondent failed to demonstrate any prejudice that Respondent suffered by not having the video produced at the hearing, i.e. how “[t]he failure to follow ... the provisions of [Section 56-5-2950] ... materially affected ... the fairness of the testing procedure ....”<sup>4</sup> S.C. Code Ann. § 56-5-2950(J) (2018); *Taylor v. S.C. Dep’t of Motor Vehicles*, 382 S.C. 567, 677 S.E.2d 588 (2009) (holding that failure to satisfy all of the factors of Section 56-5-2951(F)(1)-(4) does not mandate re-issuance of the driver’s license when there is no prejudice to the driver); *see also* footnote 2, *supra*.<sup>5</sup>

Accordingly, the relief requested by Respondent is denied.

**ORDER**

Based upon the above findings of fact and conclusions of law, it is hereby:

**ORDERED** that the suspension of Respondent’s driver’s license or driving privilege is **UPHELD**.

**AND IT IS SO ORDERED.**

*Vehicles*, 382 S.C. 567, 677 S.E.2d 588 (2009) (holding that a verbal advisement of implied consent rights alone was sufficient to satisfy Section 56-5-2951(F)(2) as the driver suffered no prejudice from a lack of written notice).

<sup>4</sup> The phrase “the accuracy or reliability of test results” was omitted because it is not at issue in this case, as this case involved a refusal and thus involved no test results.

<sup>5</sup> Even had video footage of the breath-test site and of events leading to and including the arrest or an affidavit regarding the malfunctioning equipment been required in this case, Respondent did not avail himself of the administrative remedy to obtain the affidavit (in this case) and breath-test video footage through an OMVH subpoena pursuant to OMVH Rule 12(A). Though Respondent filed a Rule 5 Motion in the criminal matter, pursuant to the South Carolina Rules of Evidence, discovery is only available in OMVH cases through OMVH subpoenas, according to OMVH Rule 11. But again, the affidavit and video footage were not required for Petitioners to carry their burden of proof in this case.

STATE OF SOUTH CAROLINA

Public Safety,

Respondents.

Docket No. 20-ALJ-21-0213-AP

**ORDER GRANTING RESPONDENT'S  
MOTION TO DISMISS**

This matter is before the South Carolina Administrative Law Court (ALC or court) pursuant to a Notice of Appeal filed by Andrew Davis Desilet (Appellant) on August 17, 2020. On October 5, 2020, the South Carolina Department of Motor Vehicles (Department) filed an Amended Notice of Motion and Motion to Dismiss (Amended Motion) for the Appellant's failure to serve the Notice of Appeal on the Department in accordance with Rules 33 and 38 of the Rules of Procedure for the Administrative Law Court (SCALC Rules).<sup>1</sup>

Rule 33 directs that a party appealing from the decision of an agency must file and serve on each party with a copy of the notice of appeal within thirty (30) days of receipt of the decision from which the appeal is taken. SCALC Rule 33(E). In this case, the Office of Motor Vehicle Hearings (OMVH) issued its Final Order and Decision on August 5, 2020, therefore, the Appellant had until September 4, 2020, to properly serve the Department with his Notice of Appeal. The Appellant timely filed his appeal with the court on August 17, 2020, however, according to the Department's Amended Motion, the Appellant failed to serve his Notice of Appeal on the Department.

The Appellant's Proof of Service filed with the court on August 17, 2020, asserts that the Notice of Appeal was served on the Office of General Counsel, South Carolina Department of Motor Vehicles, 1205 Pendleton Street, Suite 325, Columbia, South Carolina, 29201. While that addressee is correct, the address itself corresponds to the Office of Motor Vehicle Hearings, not

<sup>1</sup> The Department originally filed a Notice of Motion and Motion to Dismiss for the same grounds on September 28, 2020. That notice, that contained a typographical error pertaining to the date the agency decision was rendered. The Amended Motion merely corrects that error.

the South Carolina Department of Motor Vehicles. The Department and OMVH are separate state agencies. S.C. Code Ann. §§ 1-23-660 (Supp. 2019); 56-1-5 (2018).

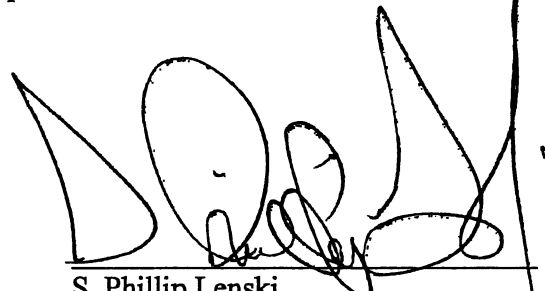

Timely filing and service of a notice of appeal is a jurisdictional requirement, and this court has no authority to extend or expand the time in which the notice of intent to appeal must be served.<sup>2</sup> *See Elam v. S.C. Dep't of Transp.*, 361 S.C. 9, 14-15, 602 S.E.2d 772, 775 (2004); *Mears v. Mears*, 287 S.C. 168, 169, 337 S.E.2d 206, 207 (1985). Here, while the court understands that the error was inadvertent and that there was no intent by the Appellant to subvert or disregard the rules, the Notice of Appeal was not served on the Department. Therefore, because the Appellant did not serve his Notice of Appeal on the Department, this court is without jurisdiction to adjudicate his underlying appeal, and must dismiss this action. *See* SCALC Rule 38 (providing that, upon motion of any party or on its own motion, the court may dismiss an appeal for failure to comply with any of the rules for appeals, including those pertaining to service of a notice of appeal).

**ORDER**

**IT IS THEREFORE ORDERED** that the Department's Amended Motion to Dismiss is **GRANTED** and this appeal is hereby **DISMISSED**.

<sup>2</sup> The Appellant cites to *Weatherford v. Price* for the proposition that mere clerical errors in a notice of appeal are not fatal, particularly where opposing counsel demonstrates no prejudice as a result. *See Weatherford v. Price*, 340 S.C. 572, 577-78, 532 S.E.2d 310, 313 (Ct. App. 2000). In that case, the notice of appeal in question referred to an order denying a motion for reconsideration but included an attached copy of the original merits order with the notice. *Id.* The South Carolina Supreme Court determined that it had jurisdiction to hear the appeal, finding that, under those circumstances, the error was merely clerical in nature and that counsel demonstrated no prejudice as a result of the error. *Id.*; *see also Charleston Lumber Co., Inc. v. Miller Hous. Corp.*, 318 S.C. 471, 458 S.E.2d 431 (Ct. App. 1995) (rejecting an attempt to have an appeal dismissed on jurisdictional grounds when the appellant neglected to appeal one of a series of cases tried and appealed together). *Weatherford*, however, is distinguishable from the present case. Here, the Department asserts that it never received a copy – in whole or in part – of the Appellant's Notice of Appeal. Unlike *Weatherford* and *Charleston Lumber*, therefore, where counsel for the parties were served with incomplete or incorrect notices of appeal, counsel for the Department received no notice of the Appellant's challenge. While the court acknowledges that the error in this case may have been clerical in nature, the resulting lack of notice to the Department gives the error substance and heightens it beyond what could be considered a clerical error.

**NOTICE OF APPEAL**

---

Andrew Davis Desilet appeals the attached Order upholding the suspension of his driver's license and driving privileges. The grounds for appeal are that (1) the ruling violates constitutional and statutory provisions, specifically S.C. Code Ann. §§ 56-5-2951 and 56-5-2953, as well as shifting the burden of proof to the Respondent; and (2) the decision is clearly erroneous in view of the reliable, probative and substantial evidence on the whole record. See S.C. Code Ann. § 1-23-380. Pursuant to S.C. Code Ann. § 56-5-2951(G) and Rule 34 of the Rules of Procedure for The Administrative Law Court, Andrew Davis Desilet requests a stay of the Hearing Officer's Order of August 5, 2020.

Andrew Davis Desilit,

v.

of Public Safety,

Respondents.

Docket No. 20-ALJ-21-0213-AP  
SCDL No. 101593325

**NOTICE OF MOTION  
AND MOTION TO DISMISS**

TO: APPELLANT ANDREW DAVIS DESILIT AND HIS ATTORNEY, PLEASE TAKE NOTICE that Respondent South Carolina Department of Motor Vehicles ("SCDMV") will move before the Honorable Judge S. Phillip Lenski ten (10) days from this notice or as soon thereafter as the matter may be heard or determined, to dismiss the above-referenced action. The grounds of this motion are set forth below.

Rule 33 of the Rules of the Administrative Law Court directs that a party appealing from the decision of an agency file and serve on each other party and the agency whose final decision is subject to the appeal a copy of a Notice of Appeal within thirty (30) days of receipt of the decision from which the appeal is taken.

The record in this matter indicates the decision appealed from was rendered on April 5, 2020, and served on the parties by mail or email. R. p. 28-38. The appeal was filed on or about August 17, 2020, however, the SCDMV was not served with the Notice of Appeal as required by the ALC Rules. The Record on Appeal does contain a Proof of Service of the Notice of Appeal upon the SCDMV, but that Proof of Service lists an address that does not belong to the SCDMV as the place to which SCDMV's copy of the Notice of Appeal was mailed. R. p. 26-27. In fact, the Certificate of Service states that SCDMV's copy of the Notice of Appeal was mailed to "1205 Pendleton Street, Suite 325, Columbia, SC 29201," which is the address for the Office of Motor Vehicle Hearings, not an address for SCDMV. *Id.* The Office of Motor Vehicle Hearings is part of the Administrative Law Court. See S.C. Code §1-23-660. Significantly, SCDMV and the Administrative Law Court (and thus also the Office of Motor Vehicle Hearings) are two

separate state agencies. Therefore, serving SCDMV's copy of the Notice of Appeal on the Office of Motor Vehicle Hearings, even if it is addressed to SCDMV, does not constitute proper service on SCDMV. Additionally, SCDMV never received a copy of the Notice of Appeal from Appellant. The South Carolina Supreme Court has held "[T]he requirement of service of the notice of appeal is jurisdictional, i.e., if a party misses the deadline, the appellate court lacks jurisdiction to consider the appeal and has no authority or discretion to "rescue" the delinquent party by extending or ignoring the deadline for service of the notice." *Elam v. S.C. Dep't of Transportation*, 361 S.C. 9, 602 S.E. 2d 772, 775 (2004); See also *Southbridge Properties, Inc. v. Jones*, 292 S.C. 198, 355 S.E. 2d 535 (1987) (applying appellate court rules and dismissing case for failure to serve a notice of intent to appeal in a timely manner). Therefore, this court lacks appellate jurisdiction over this appeal and the appeal should be dismissed.

Rule 38 of the Rules of the Administrative Law Court provides that the Court may of its own motion or on motion from any party dismiss an appeal for the failure to comply with any rule of procedure for appeals.

Respondent SCDMV therefore moves to have this appeal dismissed for lack of jurisdiction and for the Appellant's failure to comply with the applicable Rules.

And we so move.

CAROLINA DEPARTMENT OF	)	<b>MOTION TO DISMISS</b>

The Appellant through counsel responds as follows:

Rule 33 of the Rules of the Administrative Law Court directs that a party appealing from the decision of an agency, file and serve on each other party and the agency whose final decision is subject to the appeal, a copy of the Notice of Appeal within thirty (30) days of receipt of the decision from which the appeal is taken.

The decision appealed from was rendered on August 5, 2020, not April 5, 2020 as written in the Respondent's Motion to Dismiss. The Notice of Appeal was timely filed on or about August 17, 2020. The Record on Appeal contains Proof of Service of the Notice of Appeal upon the South Carolina Department of Motor Vehicles, the Trooper, the South Carolina Administrative Law Court, and the Office of General Counsel of the South Carolina Department of Public Safety; however it appears that the South Carolina Department of Motor Vehicles' copy of the Notice of Appeal was inadvertently sent to 1205 Pendleton Street in Columbia, the Office of Motor Vehicle Hearings.

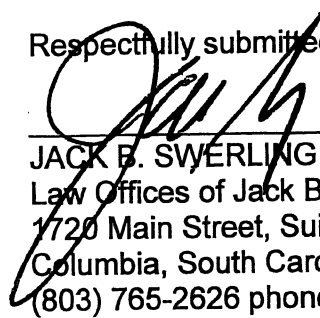

The Notice of Appeal was timely and properly filed and all the above referenced parties were properly served, however the failure to serve the Department of Motor

Vehicles at the correct address was based on an inadvertent clerical error. It appears that the Department of Motor Vehicles did become aware of the Notice of Appeal since the Department filed the Motion to Dismiss. The Department of Motor Vehicles has not been prejudiced by this inadvertent clerical error in the mailing of the Notice of Appeal to the Office of Motor Vehicle Hearings to the wrong address. Furthermore, the Department of Motor Vehicles mailed the Motion to Dismiss to 1701 Main Street, Columbia, SC which is the address of the Richland County Courthouse. Counsel's address is 1720 Main Street, Columbia, SC and counsel has still not received a hard copy by mail of the Motion to Dismiss because of the address issue. (Counsel acknowledges receipt of the Motion to Dismiss by email). Counsel points this out to show that inadvertent mistakes happen and since the Notice of Appeal was filed and served on all parties by mail except the Department of Motor Vehicles, the Department should not be held to any less standard than Appellant.

The Department refers to *Elam v. SC Department of Transportation*, 602 S.E. 2d 772 (2004) for the proposition that the filing and service of the Notice of Appeal on all parties is jurisdictional. In *Weatherford v. Price*, 532 S.E. 2d 310 (Ct. App. 2000), the Court of Appeals held that a clerical error in the Notice of Appeal does not warrant dismissal of the appeal, especially where counsel demonstrates no prejudice as a result.

Wherefore, counsel prays that the Respondent's Motion be dismissed.

Respectfully submitted,

---

**NOTICE OF APPEAL**

---

Andrew Davis Desilet appeals the attached Order upholding the suspension of his driver's license and driving privileges. The grounds for appeal are that (1) the ruling violates constitutional and statutory provisions, specifically S.C. Code Ann. §§ 56-5-2951 and 56-5-2953, as well as shifting the burden of proof to the Respondent; and (2) the decision is clearly erroneous in view of the reliable, probative and substantial evidence on the whole record. See S.C. Code Ann. § 1-23-380. Pursuant to S.C. Code Ann. § 56-5-2951(G) and Rule 34 of the Rules of Procedure for The Administrative Law Court, Andrew Davis Desilet requests a stay of the Hearing Officer's Order of August 5, 2020.

AMENDED NOTICE OF MOTION  
AND MOTION TO DISMISS

TO: APPELLANT ANDREW DAVIS DESILIT AND HIS ATTORNEY, PLEASE TAKE NOTICE that Respondent South Carolina Department of Motor Vehicles (“SCDMV”) will move before the Honorable Judge S. Phillip Lenski ten (10) days from this notice or as soon thereafter as the matter may be heard or determined, to dismiss the above-referenced action. The grounds of this amended motion are set forth below. **This amended motion is filed to correct a typo in the original motion regarding the date of issuance of the final decision in the lower court. All additions and/or amendments from the original motion are placed in bold print to assist the Court and parties in their review of the changes.**

Rule 33 of the Rules of the Administrative Law Court directs that a party appealing from the decision of an agency file and serve on each other party and the agency whose final decision is subject to the appeal a copy of a Notice of Appeal within thirty (30) days of receipt of the decision from which the appeal is taken.

The record in this matter indicates the decision appealed from was rendered on August 5, 2020, and served on the parties by mail or email. R. p. 28-38. The appeal was filed on or about August 17, 2020, however, the SCDMV was not served with the Notice of Appeal as required by the ALC Rules. The Record on Appeal does contain a Proof of Service of the Notice of Appeal upon the SCDMV, but that Proof of Service lists an address that does not belong to the SCDMV as the place to which SCDMV’s copy of the Notice of Appeal was mailed. R. p. 26-27. In fact, the Certificate of Service states that SCDMV’s copy of the Notice of Appeal was mailed to “1205 Pendleton Street, Suite 325, Columbia, SC 29201,” which is the address for the Office

of Motor Vehicle Hearings, not an address for SCDMV. *Id.* The Office of Motor Vehicle Hearings is part of the Administrative Law Court. See S.C. Code §1-23-660. Significantly, SCDMV and the Administrative Law Court (and thus also the Office of Motor Vehicle Hearings) are two separate state agencies. Therefore, serving SCDMV's copy of the Notice of Appeal on the Office of Motor Vehicle Hearings, even if it is addressed to SCDMV, does not constitute proper service on SCDMV. Additionally, SCDMV never received a copy of the Notice of Appeal from Appellant. The South Carolina Supreme Court has held "[T]he requirement of service of the notice of appeal is jurisdictional, i.e., if a party misses the deadline, the appellate court lacks jurisdiction to consider the appeal and has no authority or discretion to "rescue" the delinquent party by extending or ignoring the deadline for service of the notice." *Elam v. S.C. Dep't of Transportation*, 361 S.C. 9, 602 S.E. 2d 772, 775 (2004); See also *Southbridge Properties, Inc. v. Jones*, 292 S.C. 198, 355 S.E. 2d 535 (1987) (applying appellate court rules and dismissing case for failure to serve a notice of intent to appeal in a timely manner). Therefore, this court lacks appellate jurisdiction over this appeal and the appeal should be dismissed.

Rule 38 of the Rules of the Administrative Law Court provides that the Court may of its own motion or on motion from any party dismiss an appeal for the failure to comply with any rule of procedure for appeals.

Respondent SCDMV therefore moves to have this appeal dismissed for lack of jurisdiction and for the Appellant's failure to comply with the applicable Rules.

And we so move.

## **I. STATEMENT OF THE ISSUES ON APPEAL**

1. Did the Hearing Officer err in holding that Trooper S. Z. Brazell of the South Carolina Department of Public Safety did not have to produce the video recording from the incident site (S.C. Code Ann. § 56-5-2953(A)(1)(a)), or an Affidavit as to why there was no video recording at the incident site (S.C. Code Ann. § 56-5-2953(B)) in order to establish that the Respondent was “lawfully arrested or detained”, as required by S.C. Code Ann. § 56-5-2951(F)(1).

2. Did the Hearing Officer err in holding that Trooper S. Z. Brazell had no burden to produce the video from the breath site, 56-5-2953(A)(2), in order to satisfy the Respondent’s burden of proof under S.C. Code Ann. § 56-5-2951(F)(2) that the Appellant was given a written copy of and informed of the rights enumerated in S.C. Code Ann. § 56-5-2950.

3. Did the Hearing Officer err in holding that it was the Appellant’s burden to subpoena the video or the Affidavit as to why there was no video from the incident site, or the video and written implied consent warnings from the breath site.

## **II. STATEMENT OF THE CASE**

The Respondent, Andrew Davis Desilet, was arrested on March 1, 2020 for driving a motor vehicle while under the influence of alcohol, drugs or a combination of alcohol and drugs in violation of S.C. Code Ann. § 56-5-2950 (2018). Upon his alleged refusal to submit to a breath, blood, or urine test, the Respondent received a notice of suspension, and thereafter on March 4, 2020 requested a hearing on the suspension from the Office of Motor Vehicle Hearings (OMVH).

Samuel L. Johnson of the OMVH was assigned the case and conducted a hearing on August 4, 2020. On August 5, 2020, Mr. Johnson issued an Order that upheld the suspension of the Respondent's driver's license or driving privilege.

On August 17, 2020, the Respondent served and filed a Notice of Appeal. (ROA 24).

The nature of the of the defense or response is set forth in the Statement of Issues on Appeal and Argument below.

## **III. ARGUMENT**

### **A. SUMMARY OF EVIDENCE**

Trooper Brazell testified that he was patrolling on Interstate 26 near Piney Grove Road in Lexington County. He got behind the Appellant and noticed that Appellant's vehicle was having a hard time maintaining its lane of travel. He activated his in-car camera and followed the vehicle for two miles as the vehicle weaved in and out of the emergency lane, and in and out of his lane of travel. Trooper Brazell initiated a traffic stop and approached the vehicle being driven by Appellant. The Trooper smelled an odor of alcohol on

Appellant's breath and Appellant stated he had a few drinks. The Trooper also noticed that Appellant's eyes were red and glossy. Appellant consented to the administration of field sobriety tests. (ROA 8).

Trooper Brazell testified he performed the HGN Test and noticed HGN in Appellant's eyes and again noticed red, glossy eyes and the odor of alcohol. Appellant attempted the one leg stand and Appellant was unsteady on his feet, had to use his arms for balance, had to start the test several times and almost fell over on the side of the roadway according to the Trooper. (ROA 9).

The Appellant was placed under arrest for driving under the influence and transported to the Lexington County Detention Center. The Trooper testified that he advised the Appellant of his implied consent rights on video and waited the appropriate time and Appellant refused the test. (ROA 9).

The Trooper testified that he discovered that the video camera from the incident site had malfunctioned and was not recording the Appellant's driving, the stop, the advise of rights or the field sobriety tests. He stated that he prepared an Affidavit as to why there was no video available as required by S.C. Code Ann. § 56-5-2953(B) and turned it over to the Solicitor and did not have it present at the hearing. (ROA 11-12). He argued that counsel for Appellant could have gotten the material from the Solicitor. (ROA 16). Counsel for Appellant argued that he had requested discovery, but had never received it. (ROA 13). The Hearing Officer also stated that counsel for Appellant could have subpoenaed the documents (ROA 15). Counsel for Appellant argued that the Appellant had no burden and the burden was solely on the Respondent to produce evidence, and the burden could not be shifted to the Appellant as to whether this was a lawful arrest.

(ROA 15). Similar arguments were made by both sides as to the Trooper failing to produce the video of the test sight or the written implied consent warnings at the hearing. (ROA 14).

**B. APPEAL ISSUE 1 — Did the Hearing Officer err in holding that Trooper S. Z. Brazell of the South Carolina Department of Public Safety did not have to produce the video recording from the incident site (S.C. Code Ann. § 56-5-2953(A)(1)(a)), or an Affidavit as to why there was no video recording from the incident site (S.C. Code Ann. § 56-5-2953(B)) in order to establish that the Respondent was “lawfully arrested or detained”, as required by S.C. Code Ann. § 56-5-2951(F)(1).**

Pursuant to S.C. Code Ann. § 56-5-2951(F)(1), the scope of the hearing before the Hearing Officer is limited inter alia as to whether an individual “was lawfully arrested or detained.”

The Appellant maintains that S.C. Code Ann. § 56-5-2951(F)(1) and S.C. Code Ann. § 56-5-2953(A)(1)(a)(i-iii) should be read together in determining whether an individual “was lawfully arrested or detained.” S.C. Code Ann. § 56-5-2953 requires that a person who violates S.C. Code Ann. § 56-5-2930 must have his conduct video recorded and the video recording must begin no later than the activation of the officer’s blue lights, include any field sobriety tests administered, include the arrest of the person for a violation of S.C. Code Ann. § 56-5-2930, and include the person being advised of his Miranda rights.

If the video is not available the officer must produce an Affidavit certifying that the video equipment at the time of arrest or probable cause determination was inoperable. Here the Trooper failed to produce the video recording or Affidavit, and thus the Respondent failed to establish that the Appellant was “lawfully arrested or detained” as required by S.C. Code Ann. § 56-5-2951(F)(1).

**C. APPEAL ISSUE 2 — Did the Hearing Officer err in holding that Trooper S. Z. Brazell had no burden to produce the video from the breath site, 56-5-2953(A)(2), in order to satisfy the Respondent's burden of proof under S.C. Code Ann. § 2951(F)(2) that the Appellant was given a written copy of and informed of the rights enumerated in S.C. Code Ann. § 56-5-2950.**

Neither the video recording at the breath test site, nor a written copy of the rights enumerated in S.C. Code Ann. § 56-5-2950 were admitted during the hearing. S.C. Code Ann. § 56-5-2953(A)(2)(a-c) requires that a video recording must be made at the breath test site which would show the entire breath test procedure, the person being informed that he is being video recorded, that he has a right to refuse the test, the person taking or refusing to take the test and the person's conduct during the twenty minute waiting period. Pursuant to S.C. Code Ann. § 56-5-2951(F)(2)(3), the issues that the Respondent must prove are that the person was given a written copy of and verbally informed of the rights enumerated in S.C. Code Ann. § 56-5-2950. As a result of the failure to produce the video recording or the written advice of rights under S.C. Code Ann. § 56-5-2950(B)(1-5), the Respondent failed in its burden of proof to establish what was required in S.C. Code Ann. § 56-5-2951(F)(1-4).

**D. APPEAL ISSUE 3 — Did the Hearing Officer err in holding that it was the Appellant's burden to subpoena the video or the Affidavit as to why there was no video from the incident site, or the video and written implied consent warnings from the breath site.**

Both the Hearing Officer and the Trooper referenced the fact that the Affidavit regarding the video recording from the incident site, and the video recording from the test site as well as the written advise of rights under S.C. Code Ann. § 56-5-2950(B)(1-5) could have been picked up from the Solicitor or subpoenaed by the Appellant.

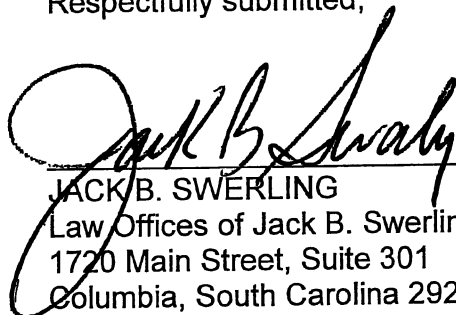

Counsel for the Appellant stated at the hearing that he had filed a Rule 5 Discovery

Motion, but nothing had been produced by the Solicitor and that further the burden of proof at the hearing before the Hearing Officer was upon the Respondent to prove compliance with S.C. Code Ann. § 56-5-2951(F)(1-5). Pursuant to 15(B) of the Rules of Procedure for OMVH, the burden of proof is upon the Department of Motor Vehicles and that burden is proof by a preponderance of the evidence. Requiring the Appellant to come forward with the proof would constitute improper burden shifting.

#### **IV. CONCLUSION**

Based on the Arguments set forth above, the Appellant submits that the Respondent failed to establish by a preponderance that the requirements under S.C. Code Ann. § 56-5-2951(F)(1-5) were met. Therefore, Appellant requests that the Hearing Officer's Order of August 5, 2020 be reversed and his driving privileges reinstated.

MOTION TO STAY ORDER PENDING APPEAL

Appellant hereby respectfully moves before this Honorable Court to grant an Order to Stay the Decision of the Administrative Law Court to grant Respondents' Motion to Dismiss, pending the resolution of the appeal filed with this Court January 5, 2021.

On or about August 5, 2020, the Office of Motor Vehicle Hearings (OMVH) issued its Final Order and Decision on a contested case hearing regarding the suspension of Appellant's driving privileges.

On or about August 17, 2020, Appellant timely filed a Notice of Appeal with the South Carolina Administrative Law Court.

Notice of the Appeal was also timely mailed to the South Carolina Department of Motor Vehicles, the South Carolina Department of Public Safety, and the State Trooper. However, the South Carolina Department of Motor Vehicles notice, while clearly

addressed to the South Carolina Department of Motor Vehicles, was inadvertently mailed to 1205 Pendleton Street in Columbia, which is the Office of the South Carolina Administrative Law Court.

Both the South Carolina Department of Public Safety and the South Carolina Department of Motor Vehicles share the same location at 10311 Wilson Boulevard, Blythewood, South Carolina 29016.

Appellant is informed and believes the South Carolina Department of Motor Vehicles received the Notice of Appeal as evidenced by the Assistant Legal Counsel of the South Carolina Department of Motor Vehicles is whom filed of Motion to Dismiss.

Because Appellant filed the Notice of Appeal less than two weeks of the Final Order, Appellant is informed and believes if the Notice of Appeal to the South Carolina Department of Motor Vehicles would have been returned to sender, as normally the procedure with incorrect or wrong address, the clerical mistake could have been cured well within the time period required under the rules.

However, the Notice of Appeal was never returned to Appellant and therefore Appellant was not aware of the inadvertent mistake. Appellant did not become aware of the clerical mistake until the Department of Motor Vehicles filed the Motion to Dismiss months later.

Appellant is informed and believes the Department of Motor Vehicles cannot show prejudice as to the Appellant's clerical error, as they obviously were in receipt of the Notice of Appeal as they were the party that filed the Motion to Dismiss.

Appellant is informed and believes the inadvertent mistake as to the address of the South Carolina Department of Motor Vehicle's Notice of Appeal was a clerical error and did not warrant the dismissal of the Appeal.

In *Weatherford v. Price*, 532 S.E. 2d 310 (Ct. app. 2000), the Court held that a clerical error in the Notice of Appeal does not warrant dismissal of the appeal, especially where counsel demonstrates no prejudice as a result.

Furthermore, the South Carolina Department of Motor Vehicle also made an inadvertent mistake when they incorrectly mailed their Motion to Dismiss to the wrong address, sending it to the Richland County Courthouse at 1701 Main Street, instead of Appellant Counsel's correct address of 1720 Main Street.

Wherefore, the Appellant asks this Honorable Court to Stay the Order of the Administrative Law Court to Dismiss Appellant's Appeal of the Final order and Decision by the Office of Motor Vehicles until such time as this Court has made a final decision on this case. This Motion will be supported by subsequent filings, memoranda of law, statutory and case law as well as any oral argument to be presented by counsel at a hearing in this matter.

**MOTION FOR EXTENSION OF TIME TO FILE INITIAL BRIEF**

YOU WILL PLEASE TAKE NOTICE that, pursuant to Rules 208, 209, 240, and 263(b) of the South Carolina Appellate Court Rules, the Appellant Andrew Davis Desilet, by and through his undersigned attorney, moves for an Order granting an additional thirty (30) day extension of time within which to file the Initial Brief of Appellant and Designation of Matter—through March 24, 2021. This motion is the Appellant’s first request for extension and is made on the grounds that the undersigned counsel has had other deadlines, depositions, hearings, and other case commitments arise unavoidably over the past several weeks, and proper preparation for which has precluded counsel’s ability to devote the requisite time to the research and drafting of the Initial Brief of Appellant. Furthermore, counsel has faced several delays in other matters due to issues arising from COVID-19, thus counsel needs the additional time requested herein to properly present focused and cogent arguments.

1 OPENING REMARKS:

2 **HEARING OFFICER:** All right. We're now on the  
3 record. This is case number 20-OMVH-01-1160-CC  
4 in the matter of the South Carolina Department  
5 of Public Safety and the South Carolina  
6 Department of Motor Vehicles. Petitioners  
7 versus Andrew Davis Disilent, Respondent. My  
8 name is Samuel Johnson. I've been appointed by  
9 the Chief Judge of the Administrative Law Court  
10 to conduct this hearing on behalf of the South  
11 Carolina Office of Motor Vehicle Hearings.  
12 We're here in Columbia, South Carolina. It's  
13 August the 4th, 2020. Present on behalf of  
14 Petitioners is Trooper S. Z. Brazell (ph). On  
15 behalf of Respondent is his attorney, Jack  
16 Swerling. All right. Anything before we get  
17 started? All right. Trooper Brazell will you  
18 please raise your right hand. Do you solemnly  
19 swear or affirm that the testimony your about  
20 to provide will the truth, the whole truth and  
21 nothing but the truth so help you God?

22 **TROOPER BRAZELL:** I do.

23 **HEARING OFFICER:** All right. Can you state your  
24 name for the record?

25 **TROOPER BRAZELL:** Trooper S. Z. Brazell.

1 HEARING OFFICER: All right. Go ahead.

2 TROOPER S. Z. BRAZELL, having been duly sworn,  
3 testifies as follows:

4 TROOPER BRAZELL - DIRECT TESTIMONY:

5 TROOPER BRAZELL: Yes, sir. On March the 1st, 2020,  
6 0400 hours I was patrolling on Interstate 26  
7 near the Piney Grove, St. Andrews exit -- which  
8 is in Lexington County, South Carolina -- I got  
9 behind a Kia sedan that was having a hard time  
10 maintaining their lane. I activated my in car  
11 camera and followed the vehicle for  
12 approximately two miles, initiated a traffic  
13 stop at the 104 westbound exit which is Piney  
14 Grove. At that point in time I approached the  
15 vehicle, identified the driver as Mr. Andrew  
16 Desilent. He was a sole occupant of the  
17 vehicle. Upon asking him for his driver's  
18 license I could smell an odor of alcohol coming  
19 from his breath. I then asked him if he had  
20 any alcohol. He stated that he had had a few  
21 drinks and that he was trying to make it back  
22 home to his address which was only a few more  
23 miles down the road. I observed his eyes to be  
24 red and glossy and asked Mr. Desilent if he was  
25 willing to submit to a field sobriety. At that

1 point in time he did. Upon field sobriety I  
2 observed (inaudible) in both eyes. I observed  
3 his red -- his red glossy eyes. I could smell  
4 the odor of alcohol coming from his breath.  
5 Upon conducting the one leg stand Mr. Desilent  
6 was extremely unsteady on his feet having to  
7 use his use balance, having to start over  
8 several times and almost falling over on the  
9 side of the roadway at that point in time.  
10 There was enough clues present for me to place  
11 Mr. Desilent under arrest for driving under the  
12 influence. I transported him to the Lexington  
13 County Detention Center where we -- where he  
14 was read his implied consent rights. After the  
15 20 minute observation period was up Mr.  
16 Desilent refused to provide a breath sample,  
17 and he was charged with DUI first offense.

18 **HEARING OFFICER:** All right. Is that it?

19 **TROOPER BRAZELL:** Yes, sir.

20 **HEARING OFFICER:** All right. Any questions, Mr.  
21 Swerling?

22 **TROOPER BRAZELL - CROSS-EXAMINATION BY MR. SWERLING:**

23 Q: The original reason for the stop was what?

24 A: He was failure to maintain the lane. He was  
25 seen weaving. He was seen inside the emergency

1 lane weaving in and out of his traffic lane.  
2 I followed Mr. Desilent for approximately two  
3 miles and observed him doing this before I  
4 initiated a traffic stop.

5 Q: All right. And I understand that there is no  
6 video available for the -- you following him or  
7 stopping him or any field sobriety test on the  
8 random one; is that correct?

9 A: That is correct, yes.

10 Q: And what was the reason?

11 A: The reason for what?

12 Q: For not being videoed.

13 A: At the time my video was activated and  
14 everything presumed to be correct. Everything  
15 turned on in my car. There was no reason for  
16 me not to believe that nothing was being  
17 recorded. At a later day when I tried to make  
18 a copy of the file it was determined that my  
19 camera malfunctioned, and I was unable to make  
20 a copy of that traffic stop.

21 Q: So am I correct -- so there's no -- it doesn't  
22 show you activating blue light, doesn't show  
23 you stopping him, doesn't show you advising him  
24 of Miranda or doing a field sobriety test; is  
25 that correct?

1 A: That is correct, yes.

2 Q: Was the camera working at the incident site?

3 A: It was, yes, the whole time.

4 Q: And you have a copy of that video?

5 A: Of the ---

6 Q: Of the incident site?

7 A: When he was at the jail?

8 Q: Yeah. I'm sorry, not the incident site, the  
9 jail. I apologize.

10 A: Well the camera working at the jail it was.  
11 Everything was inside the data master and  
12 that's correct.

13 Q: Okay.

14 A: I do not personally have a copy of it. SLED  
15 will have a copy of it. You'll have to go  
16 online and type in that code and you can ---

17 Q: Right.

18 A: --- you can get a copy of it.

19 Q: Okay. I don't know why I kept saying the  
20 incident site. The -- and you didn't discover  
21 the camera malfunctioning until after ---

22 A: Several days.

23 Q: You thought it was working?

24 A: That's correct. Several days prior -- after --  
25 correction -- several days after the incident

1 I then tried to make a copy of the video 'cause  
2 we have to do case files for all of our DUI's  
3 and it was that point in time that I discovered  
4 that it was not working, and I immediately went  
5 to Shop Road to have the camera looked at which  
6 is what we're required to do by policy. They  
7 changed the camera out and I tried to retrieve  
8 the video. They sent it to a Watch Squad (ph)  
9 and tried to retrieve it off the hard drive.  
10 Watch Squad was unable to receive anything so  
11 I do not have any video of the incident.

12 Q: Okay. Did you do an affidavit with respect to  
13 the incident site -- I mean, not the -- yeah,  
14 the incident site camera, stopping the car  
15 explaining what the circumstances were?

16 A: Like a probable cause arrest warrant -- or  
17 affidavit?

18 Q: No, an affidavit saying that the camera was  
19 inoperable?

20 A: Yeah, all that would -- all of that is included  
21 in the case check, and I did a -- I did all of  
22 that affidavit and by policy we have to do a  
23 video affidavit that states that the camera was  
24 not working at the time of the incident and  
25 that we retrieved our camera. And also I had

1 the work orders from shop -- from the shop  
2 where I went over there to get the camera  
3 looked at and it has -- and they're aware the  
4 camera was being taken out and replaced since  
5 then.

6 Q: And the reason I'm asking is I have not  
7 received any discovery in the case from ---

8 A: Okay.

9 Q: --- the Solicitor's office.

10 A: Okay. But everything pursuant to that is  
11 inside that case file.

12 Q: And did you film -- did you -- you left the  
13 site. You got film his using the tape, the ---

14 A: That's correct. Everything inside the data  
15 master room was recorded by camera and then  
16 it'll, you know, go on the SLED website to be  
17 able to retrieve that video. But everything  
18 was recorded in the data master room. That's  
19 correct.

20 MR. SWERLING: I think that's all I have. I'm not  
21 going to present any testimony.

22 HEARING OFFICER: Okay.

23 MR. SWERLING: I would have some argument.

24 HEARING OFFICER: First of all, Trooper Brazell, do  
25 you have anything else that you would like to

1 add testimony in response to anything you've  
2 been shown?

3 **TROOPER BRAZELL:** No, sir.

4 **HEARING OFFICER:** All right. So Respondent is not  
5 gonna present a case so therefore arguments.  
6 All right. Go ahead, Mr. Swerling.

7 **CLOSING ARGUMENT - BY MR. SWERLING:**

8 **MR. SWERLING:** Judge, I mean, the only thing I  
9 wanted to say is that you are aware of 29 --  
10 I'm sorry, 56 -- I just had it up here. Excuse  
11 me. 56-5-29-53 mandates that there be a  
12 camera and that the camera -- it seems the blue  
13 light's been activated the camera must be  
14 activated, and in addition to that the Miranda  
15 Rights must be videotaped as well as any field  
16 sobriety test. We do not have that, and even  
17 though this is not the criminal trial it would  
18 seem that without being able to establish the  
19 threshold issue about whether or not this was  
20 a lawful arrest, given his Miranda warnings and  
21 everything had been videotaped, since they  
22 cannot get past the threshold question it would  
23 seem to me that it would not be fair to go  
24 ahead and have him lose his license for 90 days  
25 for refusing to take the test. I mean, it's a

1 threshold issue. And in addition to that  
2 there's the affidavit for the video has not  
3 been produced. I mean, Trooper says it is  
4 available but it has not been produced so that  
5 would be the only excuse if producing that  
6 sworn affidavit certifying that they could not  
7 -- would not be able to record it because it  
8 was inoperable. So I would submit that it  
9 should be dismissed.

10 **HEARING OFFICER:** Did you subpoena that affidavit?

11 **MR. SWERLING:** No, it's their burden.

12 **HEARING OFFICER:** Well, I would argue that we have  
13 an administrator remedy for issuance of  
14 subpoenas from this office for documents.  
15 That's there -- I don't think that's there just  
16 as a -- I mean, it's an option. I think that  
17 a party must avail themselves of and exhaust  
18 those administrative remedies.

19 **MR. SWERLING:** But don't they have the burden of  
20 proof?

21 **HEARING OFFICER:** They do have the burden of proof,  
22 but you can't come here and complain about  
23 documents you didn't receive when you made no  
24 effort to get -- to get those documents.

25 **MR. SWERLING:** No, I mean, here at this hearing they

1 have a burden to prove.

2 **HEARING OFFICER:** I agree.

3 **MR. SWERLING:** I mean, I have no burden.

4 **HEARING OFFICER:** Testimony is evidence as well.

5 Any response, Mr. Brazell -- or Trooper  
6 Brazell?

7 **RESPONSE - BY TROOPER BRAZELL:**

8 **TROOPER BRAZELL:** Just to clarify that everything is  
9 with the Solicitor when I'm required to do turn  
10 in a case track and so everything is readily  
11 available to Mr. Swerling to pick up from the  
12 Solicitor. Which is what we do with all of my  
13 cases, and if you were to pick up that he would  
14 be able to find the sworn video affidavit and  
15 the work order from the repair shop for my  
16 video camera that as I stated everything  
17 appeared to functioning and working properly at  
18 the time of the arrest. Everything was on the  
19 video to my knowledge. It was not to my  
20 knowledge that my -- that I was not gonna be  
21 able to make a copy of the DUI arrest. And I  
22 made all the necessary duty and I made all the  
23 necessary precautions to make sure that I did  
24 provide that. You know, going as far as making  
25 sure that my camera was spent over to Watch

1 Squad to try to retrieve that video. And Watch  
2 Squad was unable to retrieve it so that was the  
3 only thing that I -- at that point there would  
4 be nothing else that I could do to provide a  
5 copy of that video.

6 **HEARING OFFICER:** Okay.

7 **MOTION - BY MR. SWERLING:**

8 **MR. SWERLING:** Your Honor, this is -- I'd like to  
9 introduce this. This is my motion for  
10 discovery. It was filed in the Clerk of the  
11 Courts Office and served on the Solicitor March  
12 18th, and that is my obligation to go ahead and  
13 file the discovery under Rule 5 and that's  
14 that. It's not been produced.

15 **HEARING OFFICER:** First of all, Rule 5 doesn't apply  
16 here and we have our own rules for subpoenas.  
17 Rule 5 is criminal. And also Respondent's case  
18 is closed at this time and therefore I don't  
19 think I can introduce that into evidence at  
20 least without consent of the Trooper to reopen  
21 your case.

22 **MR. SWERLING:** I'd move to reopen at this time. I  
23 mean, I did say that we made a request so I'm  
24 just showing you.

25 **HEARING OFFICER:** That's fine but I mean ---

1 MR. SWERLING: Do you have any problem with that?

2 RESPONSE - BY TROOPER BRAZELL:

3 TROOPER BRAZELL: Yeah, I don't -- I never received  
4 the discovery. I just received -- I just  
5 didn't receive actually anything. I know if  
6 you sent a Rule 5 it would have been to the  
7 Solicitor. The Solicitor would then give him  
8 a copy. A discovery -- I never received a  
9 discovery or anything for providing  
10 documentation for this case until today.

11 MR. SWERLING: I'm not saying he received it. What  
12 I'm saying is that they have the burden of  
13 proof. I've requested discovery, and I don't  
14 have to do any subpoena. That's their burden  
15 to come to this hearing and be able to prove  
16 that he refused it and to satisfy the statute.  
17 Your Honor, with all due respect.

18 TROOPER BRAZELL: I would also say that it is on  
19 camera that he refused as well. You can also  
20 get a copy of that video if you go the SLED  
21 website and type in the video code that's  
22 produced. He can -- you can see on camera that  
23 he did refuse to the data master. That there  
24 is a video available of that, but it's not  
25 obligation to provide that.

1 MR. SWERLING: But that's not here either.

2 HEARING OFFICER: Anything else from the parties?

3 MR. SWERLING: No.

4 TROOPER BRAZELL: No, sir.

5 HEARING OFFICER: Okay. With that then I consider  
6 this hearing now closed. I'll issue a decision  
7 soon in writing. Thank you.

### Motion of Reconsideration

A party may file a written motion with the OMVH within ten (10) days after notice of this order requesting the Hearing Officer reconsider this final decision. Only original documents are accepted. Documents must be filed via hand-delivery or by depositing the document in the U.S. Mail, properly addressed, with sufficient first class postage attached. Facsimiles sent to the OMVH and the South Carolina Administrative Law Court do not comply with filing requirements and are not authorized. See ALC Rules 4(B).

Ms. Howard,

Rule 34(B), SCALCR states "A motion to dismiss an appeal or a motion to relieve counsel shall, however, automatically stay the time limits for perfecting the appeal until the motion is decided." Thus, it is SCDMV's understanding that no brief is required to be filed by the Respondent's in this appeal until a decision has been issued with regard to SCDMV's Motion to Dismiss that was filed previously. If my understanding is incorrect, please let me know as soon as possible.

All,

We are in receipt of all filings in this matter and will work diligently to address the Motion to Dismiss in the coming weeks. Our schedule has been packed lately and remains so throughout November, but Judge Lenski is aware of the outstanding Motion and I will ensure he looks it over as soon as possible. In the meantime, you are free to file anything you please but all time limits are stayed pending Judge Lenski's review and forthcoming order. Please let me know if I can be of further assistance to any of you.

Thanks so much,

Emily

Ms. Ritchie,

Mr. Desilet's suspension was already stayed on January 5, 2021 pending the outcome of this appeal. I e-mailed the Court in early January to let you all know that SCDMV had already taken that action (see attached).

Thanks,
