Appellate court

Case no. 2020-000-629

I am playing with the court for a motion of extension for my initial brief, and designation of matter.

I do not have a car there is no public transportation in my County. I am also disabled in the state of South Carolina.

I have a very low education, I need more time for my initial brief and designation of matter. I'm am having to teach myself. Still not understanding a lot of court rules. I need more time please.

I am pleading with the court for another extension please. I have a very low income ,and I am unable to hire counsel.

I am pleading with this court for an extension, I need more time please.

Case no 2020-000-629

Sincerely

Respectfully, appellate

Lisa Michelle Ray
