

The South Carolina Court of Appeals

Adam Winningham, #268099, Appellant,

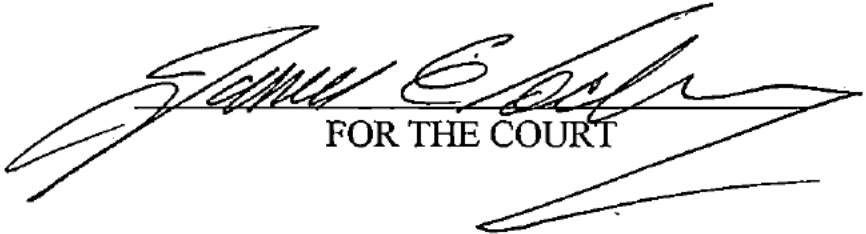

v.

South Carolina Department of Corrections, Respondent.

Appellate Case No. 2019-001751

ORDER

Appellant has filed a motion to "dismiss Respondent's case and grant Appellant's case." This court construes the motion as a request to summarily decide the appeal without a consideration of the parties' briefs. After careful consideration, the motion is denied.

FOR THE COURT

Columbia, South Carolina
