To the court I do apologize for proof of service not being sent in Form 7 format initially. As you can see I do stay in contact with Case Coordinators. Shelby is a great asset to the courts as I can hear from calling. I presumed upon contact that the statement at bottom of Page in regard to mailing copies & signing it was indeed sufficient with conversations. Correct Form 7 format form is now sent to the court.

I did include another that shows paper work being hand delivered as I did receive notice once again they had not been sent docs. This was said once before & they were there or showed up. to take that out of the equation it was hand delivered & recorded. Thank you for your time.

Case Coordinator was also sending back transcript after scanning doc. Still waiting on that as of today 7-9-21

Again if any fee is due for time on brief I will send in funds. to my knowledge this is the only request that is not charged for at this time. If this is not correct please let me know so I can send funds.
