Mr. Sun

I have received your letter dated July 3, 2021 and your certified check #15399936-0 in the amount of \$1,150. I have begun working on the 8/4/20 transcript. Once I complete the 8/4/20 transcript, I will email you a copy, and send you the sealed original and your copy via Priority Mail. I will then begin working on the 2/18/21 transcript and deliver it in the same manner. Please feel free to contact me if you have any questions.

Thank you.

Today I sent you a cashier's check of \$1150.00 to your address at: 80 Plymouth Lane, Bluffton, SC 29909. You should get it some time this week. Please complete the transcript as soon as possible because I am already late in ordering it and I need to file it with my appeal. Now you have been fully paid. Thank you for your cooperation.

Please be advised that I have retired and no longer work with Judge Dukes, the Master-in-Equity office or Beaufort County.

As I have stated many, many, many times before, I'm happy to provide an estimate for whichever transcript(s) you may wish to have prepared. I will need you to give me the specific date(s) of the hearing(s) you are requesting an estimate for. It may be to your advantage to look back at the emails in this string of correspondence. There are dates that you have already requested estimates for and those estimates were provided. Additionally, the amount of time to prepare those specific transcripts was provided.

Also, please remember I will need prepayment before beginning preparation of the transcription(s). Payment will need to be in the form of a money order or cashier's check. I do not accept credit cards, personal checks or any other form of payment. My address is below.

5/14/2021: Yahoo Mail - RE: Beaufort County Civil Case 2019CP0702178

Mr. Sun

As I indicated in my previous email:

"I was in the office and available for the hearings held on 7/16/20. The above case was scheduled for a foreclosure hearing. I do not know the circumstances or outcome of your case. There was no record."

I will Cc **Heather McLeod**, Judge Duke's Admin, on this email. She **may** know if the 7/16 hearing was postponed or continued to 8/4 which would be another reason there is no record.
