SC Court of Appeals

Dear Ms. Kitchings:

I am in receipt of the Court's letter dated June 16, 2021, advising the parties that their Initial Appellant's Briefs are due to be served by July 16, 2021. That letter states: "Our records reflect the transcript ordered on March 1, 2021 has been prepared and delivered." Upon further review, that is only partially correct.

As the Court's records will show, there were actually *two* Transcript Request Forms filed on March 1, 2021, which was subsequent to the filing of the Amended Notices of Appeal. One request was for a transcript of the November 9, 2020 motion hearing. That transcript has been received. The Court is correct about that. The other request was for a transcript of the January 8, 2021 motion hearing. That transcript has not yet been received. Additionally, I have not been provided with an extension notice by Court Administration for that January 8, 2021 transcript.

Nonetheless, based on the fact that we are still waiting on one additional transcript, it is my understanding that the 30-day deadline for the initial briefs has not begun to run. If the Court disagrees and/or requires a formal motion to address this situation in some respect, please advise.

Thank you for your assistance in this matter.

Sincerely,

LINDEMANN & DAVIS, P.A.

Andrew F. Lindemann
