Subject: O'Shaun Robinson; Return.

I recently requested a fourth extension for Return to the State's Petition for Writ of Certiorari. I did not request another thirty (30) days as I planned to get it filed this afternoon, I am not at the office at present, and do not recall exactly how many days I requested. I would have filed the Return this afternoon, but the office rather suddenly when a severe thunder storm hit and a flood warning was issued. I shut down my network and called the Court on my way out. I will turn this informal request in to a petition format over the weekend. I would ask for until Monday, July 19th, to serve and file this return. Thank you very much.
