Re: Anthony Lounds v. State
Appellate Case No. 2021-000645

Dear Mr. Lounds:

This responds to your request for an extension of time to serve and file any *pro se* explanation(s) pursuant to the Clerk of Court's letter dated June 23, 2021. At this time, your counsel has not yet provided a letter to this Court indicating she does not have a good faith basis to challenge the PCR judge's determination this matter is barred as being successive and in violation of the statute of limitations, or why you should not be barred from filing any further challenges to your conviction(s) without first obtaining permission from this Court. By order dated July 1, 2021, the time for your counsel to serve and file an explanation was extended to August 2, 2021.

Since counsel has not filed the above explanation, the time for you to serve and file any *pro se* explanation(s) has not yet begun to run. Therefore, no action will be taken with respect to your motion for an extension of time.

Very truly yours,

A handwritten signature in blue ink, consisting of several overlapping loops and a long horizontal stroke extending to the right.

DEPUTY CLERK
