To Whom It May Concern,

I am responding to a letter I received from my attorney per my appeal. I entered into a Guilty Plea Agreement with the State because I was informed under the impression that I would receive a lesser sentence providing that I provide valuable information to law enforcement. I never received any court date appearance letters and therefore I wasn't at court when my sentence was imposed, so I wasn't able to provide them with any information. However though I have since then provided them with a lot of valuable information and therefore I was hoping that in return that my sentence of 18 yrs would be reviewed and hopefully lessened. Thank you for your time.

Thanks Again,

Steven Jordan
