SC-Court of Appeals

To Whom It May Concern,

I am responding to a letter that I received from my attorney per my appeal. I never received notification of any court date that I had and therefore was not at court and was tried in my absence. I had entered into a Guilty Plea Agreement with the State and agreed to cooperate and provide info to law enforcement. I never got to provide them with information before my court date and therefore I received 18 years. I have since then provided a lot of valuable information to not only the state but to ATF also. I'm hoping for a better outcome of a sentence.

Thank You
