SC Court of Appeals

To: Clerk of Court,

Please be advise that: this Affidavit was being written with good faith stating that on or around the date of July - 2021 that I recent sent in a motion to Amend or alter brief. And later received a later stating that I have (10) days to send a notice's to all Parties; Ma'am to be honest with you in the court, I don't even has where to send the notice to, nor nor do I no who's the other Parties are. Ma'am Please forgive me for lack of education on that issue; If possible I would like to moved to avoid my requested to Amend or Alter brief without any Dentaty being placed.

Please do not dismiss my appeal. Also if you are aware that the Party or Respondent has Bobby's to respond to a appellate brief; nor did I received a notice of a extension in a timely manner under the S.C Appellate Court Rule's.

Please keep in mind that here at Perry Corr. Inst. things are a little different. (1) lack of access to the law library or computer.

(2) Covid '19 case's and staff's member are templina with inmate's mail due to the large amount civil suit. (3) legal mail being mishandle and miss placed Ma'am I'm already placed inside of a unit that housing inmate's with Covid '19 and staff not protecting them-self by wearing mask or washing their hands so ma'am please do forgive me I'm trying; I already lost my life for protecting babies and my family inside of my own home; it's alot stressful then you think trying not commit Suicid. But have a blessed day! Respectfully Submitted
