In The South Carolina Court Of Appeals
The State) Appellate Case No.
) 2021-000635
v.) Motion To Withdraw Request
Bruce Allen Buckner) For Counsel

The Defendant request to withdraw his request for Counsel. The Defendant was pro se counsel in his case in the Sixteenth Judicial Circuit of South Carolina and filed written Bills Of Exception to insure his issues were saved for review for the Appeals Court. As pro se counsel I would like to remain as counsel because I do not trust anyone else with my life. If the Court will please allow me to file my Brief I think I can win my case if I receive a fundamentally fair procedure. Thank You for Your time on this matter.
