SC Court of Appeals

From: [Tanya Murphy](#)
To: [Court Of Appeals Filings](#)
Subject: Supporting Evidence
Date: Tuesday, August 3, 2021 10:37:23 PM

Mr. Rice pleaded with his mother not to attend any status conferences because of the anxiety, mood disorder and major depression it may cause. This document will support my allegations. I assumed this was the final hearing because the new judge would be unbiased. Now the victim is experiencing a setback on his condition, Ms. Murphy has shown proof the victim was coerced to attend by the Judge and others
