SC Bar No. 102809

Attorney for Respondent

Respondent hereby moves pursuant to Rule 263(b), SCACR, for an additional extension of the time in which to serve and file its Initial Brief and Designation of Matter to be Included in the Record on Appeal in this case. This Court has twice granted an extension of time of thirty (30) days for Appellant to serve and file its Initial Brief and Designation of Matter to be Included in the Record on Appeal.

Respondent's attorney injured his left hand and underwent surgery in July, and has been unable to use it for every day activities like driving and typing, and such will continue to be the case for weeks to come. See Exhibit A (physical therapist's signed certificate of disability for undersigned counsel's discount bus pass application). The undersigned expects that an additional 30 days will be enough to file these.

WHEREFORE, the Appellant prays that this Court enter an order extending the time in which to serve and file this Initial Brief and Designation of Matter to be Included in the Record on Appeal to August 30, 2021.

Respectfully submitted,

s/Scott Riddell
