AFFIDAVIT
2018A2620601795

The affiant states that there is probable cause to believe that the defendant named above did commit the crime(s) set forth and that such probable cause is based on the following facts:

On Thursday June 7, 2018 at approximately 2330 hours officers of the Myrtle Beach Police Department called out hearing multiple gun shots being fired in the area of 1104 Wither's Alley, within the city limits of Myrtle Beach, South Carolina. At the time of arrival, through preliminary investigation police determined that the victim had suffered multiple gunshot wounds to his upper body and head. The victim was transported to Grand Strand Regional Hospital and underwent surgery where he succumbed to his injuries. Subsequent examination of the deceased confirmed he was shot multiple times with one bullet entering the victim's heart. Through investigation police were able to develop two people of interest fleeing from the bathroom, who were later identified as a defendant, Earl Rafel Gaddis Jr and co-defendant Terence Blackwell. Police detectives were able to review video surveillance showing the co-defendant take a handgun from his waist band and put it in his pocket and enter the bathroom with the defendant. The defendant was wearing a black backpack. The victim enters the bathroom room a short time after the defendants. Shots were heard, the co-defendant walks out of the bathroom and the defendant is seen running from the bathroom behind the co-defendant, who was seen putting the gun back in his pocket. The victim had been shot with two different handguns. Description of the suspects was provided to officers and they were located a short distance from the scene, wearing the same clothing as the video surveillance and possession of three handguns and a large quantity of drugs. This evidence was seized. Based on the aforementioned facts, there is probable cause to believe that the defendant has, with malice aforethought, committed the offense of Murder, §16-3-10.

AFFIDAVIT
2018A2620601796

The affiant states that there is probable cause to believe that the defendant named above did commit the crime(s) set forth and that such probable cause is based on the following facts:

On Thursday June 7, 2018 at approximately 2330 hours officers of the Myrtle Beach Police Department called out hearing multiple gun shots being fired in the area of 1104 Wither's Alley, within the city limits of Myrtle Beach, South Carolina. At the time of arrival, through preliminary investigation police determined that the victim had suffered multiple gunshot wounds to his upper body and head. The victim was transported to Grand Strand Regional Hospital and underwent surgery where he succumbed to his injuries. Subsequent examination of the deceased confirmed he was shot multiple times with one bullet entering the victim's heart. Through investigation police were able to develop two people of interest fleeing from the bathroom, who were later identified as a defendant, Earl Rafel Gaddis Jr and co-defendant Terence Blackwell. Police detectives were able to review video surveillance showing the co-defendant take a handgun from his waist band and put it in his pocket and enter the bathroom with the defendant. The defendant was wearing a black backpack. The victim enters the bathroom room a short time after the defendants. Shots were heard, the co-defendant walks out of the bathroom and the defendant is seen running from the bathroom behind the co-defendant, who was seen putting the gun back in his pocket. The victim had been shot with two different handguns. Description of the suspects was provided to officers and they were located a short distance from the scene, wearing the same clothing as the video surveillance and possession of three handguns and a large quantity of drugs. This evidence was seized. Since the defendant was armed with a handgun and shot the victim, there is probable cause to believe that the defendant did commit the offense of Possession of a Firearm during the commission of a felony, 16-23-490

Personally appeared before me the affiant Nicole M Shelton who being duly sworn deposes and says that defendant Earl Rafel Gaddis, Jr did within this county and state on or about 6/7/2018 violate the criminal laws of the State of South Carolina (or ordinance of County/ Municipality of Myrtle Beach) in the following particulars:

DESCRIPTION OF OFFENSE: Drugs / Poss. of other controlled sub. in Sched. I to V - 1st offense

I further state that there is probable cause to believe that the defendant named above did commit the crime set forth and that probable cause is based on the following facts:

On June 7, 2018 officers with the Myrtle Beach Police Department were conducting an investigation in reference to a homicide. The defendant was placed under arrest due to that incident. Search incident to arrest of the defendant's pockets produced a clear plastic baggie containing twenty (20) yellow rectangle pills with "R039" inscribed on them. The pills were identified as 2 mg.
