I cannot receive due process. I have filed many motions seeking a competent judge which has failed each time. The motions I have filed states I do not know the law to bring this case to a successful settlement, this is stated in my motions. Now I am asked about Pre-trial brief: and Discovery. I'm alleging the courts are still acting corrupt to even ask for a hearing while I'm pleading for help and asking why was my attorney dismissed, I am attaching the conversations where I asked both attorneys and the judge WHAT HAPPEN. I'm stated once before

Good afternoon Andy... I have spoke with several attorneys so Artavius can pursue his own case since he is now 18. Two questions for me to ask you was 1) Why were some of the defendants dismissed from the case? 2) Why did you withdraw from the case? Will you please give me this information to proceed with me helping Artavius get the Justice he deserves. Thanks in Advance Andy

Good morning Andy...hope all is well. I know you are not Artavius attorney but I'm making you aware that I am doing him a Go Fund Me account today. I guess this corrupt state thinks I'm suppose to give in...but absolutely NOT. I emailed Warren letting him know that I was already aware that he was not my attorney he writes me back stating "Don't care" I'm pretty sure America would think he was incompetent. I will have in my account everything that has been done to make us suffer for a crime that was no fault of our own and show the pictures of how they had NO sympathy for what they did to his arm. The reason for this email is to just let you know that I still have no bad feelings toward you but you did drop a case without informing your client of exactly why...I understand you probably had a lot of pressure put on you...but it still will look awful for you to leave in the middle of a fight for a client...but that's something you will have to answer for. No one has Ever mentioned to me about the doctor and physical therapy and anyone else about my son's arm. But today I will be telling my story and I DO NOT WANT to make you look bad but I'm thinking about my son since noone else will. I'm also attaching the email of Mr. Lokeys little remark to let it be known why it's not me being unreasonably. I will not be aggravating you anymore I just had to say my last peace. Thank You

*I am NOT an attorney*

Ms. Murphy,

The purpose of the hearing is for the pending motions for discovery. Please see below the two links I have included on this email regarding the rule for pre-trial briefs and the rule for discovery, such as witnesses to testify and documents that will be used at trial, for assistance for this hearing.

Also, Judge Griffith has to hear the motion you filed to recuse (dismiss) him as the judge on this matter.

Mrs. Lauren, I think I gave more than enough time to receive a response. If you can't respond I will have to go file a motion with the courts showing the lack of communication and to make sure I'm not missing any court dates. Thanks

Good morning, I do not know if you are aware I filed a motion to dismiss Judge Griffith. I have not spent my money on several motions that has not been addressed. This motion came at a time when I am investigating retaliation on my government benefits which raises concern on why it's scheduled during a time of a super spreader pandemic right after the holidays. The courts are aware of me asking for a JURY TRIAL... Please be specific for the reason for this meeting, if we are discussing how to move forward I don't know what to tell you my attorney was released and I don't know the law of ALL that was done to this case. Thanks
