Motion to Proceed; Defendants Response

RECEIVED

Aug 04 2021

SC Court of Appeals

To whom it may concern,  
My name is Lanya Murphy.  
This motion is being filed because  
of a letter I received on April 2,  
2021 dated for March 26, 2021.

There is inconsistencies with  
the letter, the letter states on February  
11, 2021 a motion was filed to dismiss  
the appeal (that had not been briefed)  
in which the judge told me I  
could file an appeal on 1/7/2021.  
The dismissal stated the letter  
came back with the incorrect address.

(Please provide the envelope with the  
incorrect address). The appellant  
did not receive the dismissal letter  
until after the Appellant Brief  
had been filed. This letter should  
be void because fraud is present.

An attorney showed up on behalf  
of Antonius Hill, this is fraud  
due to the filing being under an  
alias used by his father. Attorney  
Hayes contract is Dead On Arrival!

On the website it's filed under  
 Antonious Rice in which the  
 new attorney should have had  
 this name corrected if he was  
 not in cahoot with this case  
 Rule 11 Signing of Pleadings:  
 ATTORNEYS. (d) Request to Correct  
 Data Entry errors. Claire Allen  
 should have also been aware because  
 she had the correct spelling on the  
 letter that is present. This attorney  
 needs to present the documents the  
 victim signed to compare names  
 (Did the victim have I.A. or a  
 witness present at the time of his  
 signature) if not this attorney  
 is crooked! The original appellant  
 brief should stand due to these  
 issues, and the fact it took so  
 long to resend the ridiculous  
 dismissal see Rule "PSALMS 37"

This attorney's name should not reflect to represent the victim. For every day here and after the Judge and Attorney Hayes is attached to this case I will ask the "jury" for Special Damages, Punitive Damages and Consequential Damages separately from what has already incurred.

This can not be clear enough that these fools are trying to corrupt the victim to save themselves. This appeal usually takes 12 to 14 months to be heard, therefore the only thing should be taking place is for the defendants to answer the brief and there is no delay due to Claire Allen's DISTRACTION!!!

The Judge said I could do the appeal so stop being absurd. This Judge will Not be making Any decisions on this case... Try corrupting a different one to drain all of the corruption out before Retirement.

Why is Sue K. Carpenter not listed on the letter dated Feb 11, 2021 if it hadn't recieved it in error shouldn't the courts have a copy of the letter that was sent back.
