whom it may concern my name  
is Janya Murphy. Today I called the courts  
and spoke with Mrs. Betty Jo Lawson  
inquiring about the attorney listed on the case  
2017CP1200079. Upon talking with Mrs.  
Lawson she did confirm Mr. Hayes is Artavious  
attorney and changed the date for today 4-22-21  
to reflect this. The court docket should reflect  
Artavious Rice which was discussed on 1-7-21,  
this was changed but now it says Janya  
Murphy as the natural mother of and legal guardian  
of minor AR, Plaintiff, et al Chester County  
School District, defendant, et al guess the courts  
knew it was acting corrupt and decided not to

take it that far. This motion is being filed because the defendants did not reply to the Appellant Brief in a timely fashion 15 days after the Appellant Brief was filed on 3-8-21. The courts went in and changed the date as I discussed earlier to reflect the Attorney Hayes for 4-22-21 but the courts didn't have time to change the date in which the attorney filed his original Notice / Notice of Appearance that was stamped on March 29, 2021 BIG MISTAKE the victims name is still spelled with the Alias Artemis Rice which goes back to my last filing that all parties are aware of this corruption and now the Chester County Courts are a part of this allegation. The Parent Janya Murphy is the one whom asked the courts to correct his name

Not the Judge, Defendants, Attorney or Courts.

Therefore corruption is present. We're guessing their getting sloppy with the coverup because May 1, 2021 is quickly approaching. This is clearly how oppression must feel. Justice Will Be Served, keep up your sloppy work!

The poor victim was either coached to misspell his name or was awfully incompetent at the time of his signature, because he has not seen this attorney since the initial visit.

Tanya Murphy
