To whom it may concern
 my name is Vanya Murphy. My
 allegations are as follows, The Judge
 & defendants know their corrupt days
 are up, the evidence conspired with
 family, friends or anyone whom could
 help (which will never work). The
 conspiracy went as far as the Judge illegally
 taking the case from the parent who
 was fighting so hard, scared the living
 hell out of the evidence and gave the case
 to the victim (The one the parent is fighting
 so hard for) whom made so many mistakes
 in the falsified court room. This was
 done clearly to conspire & coerce the
 victim to save their Kingdom which
 is "DEAD"!!! The Judge then intimidated
 the victim to find an attorney in which
 his parent looked for 3 years with NO
 luck what so ever, so now clin
 alleging family members persuaded
 the victim to find an attorney whom
 was already in cahoots with the
 wicked. The cahoot attorney made

(2)

Sure to take initiative to misspell his name on the court docket because he was already committing a crime when he took the case. The attorney has now conspired with Commissioner of the Social Security Administration for a separate appeal for SSI who wish to dismiss the SSI appeal by 5/11/2021 around the same time the cabinet attorney asked me to send him any medical bills I paid for the victim with in two weeks. These allegations is a extreme coincidence that it's giving me the amount of time to reply in two weeks on both. Clin. alledging the Courts and Commissioner of the Social Security Administration are doing a Sloppy job in trying to corrupt Judge Thomas E. Rogers!!! or already know Judge Rogers is already on board with the conspiracy and is waiting on his chance to act!!!

Because clearly the victim was Slammed, Laughed upon by classmates, Grades Dropped, Suspended and couldn't return to school only to schools for troubled kids,

arm was broken, doctors did nothing but watch as it healed with a disability, wakes up some nights in pain but too embarrassed and shame to tell his mother because she'll over react.

Went through a year pandemic with the biggest case in US History ^{just handed to him} is not suffering with depression, ^{Major} mood disorder, PTSD, and anxiety that his claim is denied WILL BE laughable!

Judge Rogers asked them to send me a different judge who is corrupt and they sent you Sir... I'm not going into his new facts about his disability of him standing in court, the judge asked his address and he says "Ma" so I can either confirm or answer for him, how he's Not on Twitter or any social media while the judge wanted him to say Yes so had the reporter fabricated the report to say Yes when the victims answer was No. The victim started college and asked could "I" His "Mother" send the paperwork so they would know of his "504" plan that will

follow him throughout life.
 What I have a notarized paperwork
 that he did not want to attend the
 stupid hearing from beginning
 that was illegal. This victim has
 been done so wrong I can't begin
 to let it sink in. But as I have
 said all along, They Will Be Held
 Accountable, EVERYONE!!!
 Judge these are only allegations per
 now, but I wanted you to be aware
 of the Serpents.

Lanya Murphy

To attorney Hago, I'm not
 responding to your letter on purpose...
 I want to see for myself how much
 lower your side has to end this case!!!
