2020-000629

I am pleading with the court for another extension please.

I am pleading for extension of the initial brief, and the designation of matter. I do not have the money to hire counsel.

I have not been able to hire counsel. I was quoted a \$5,000 amount, from one attorney.

I only received \$794 per month.

I have applied at other section 8 properties. They have long waiting list 1-2 years.

I have a very low education. My health has also declined. I am disabled. I also need multiple surgeries. I am unable to schedule any surgery that I need at this time, due to management evicting me.

I do not have a car, there is no public transportation in this County. I am pleading with more time, begging the court please.

I also have to have spinal block injections this month. My spinal cord injuries have gotten worse.

I am pleading with the court, to please give me an extension on this matter. I have paralysis in my right arm. My left hand I need to schedule another appointment with my doctor, for injections. It requires surgery as well, but I am unable to schedule any surgeries. I was also born with vascular insufficiency, in my legs. Had my vascular doctor yesterday testing was done I have leaky valves in my legs.

I am unable to push a cart to the library.

I have nowhere to live. This eviction will make me homeless. I have a very low education.

I am pleading with the court for mercy, of the extension please.

My health has extraordinary declined. I respectfully thank the court for past extensions. I need to plead with you for another extension please. I need more time please.

Sincerely,
Lisa Michelle Ray
