RE: 2020-000910

Dear South Carolina Court of Appeals:

I am in receipt of your paper dated July 22, 2021, which I received on August 3, 2021, thank you. I am not an attorney. I am not trained in the complex science of law. I cannot afford an attorney due to consequences of incarceration by and through misconviction and the taking of my property. An attorney is not available to me through Legal Services who forbid providing representation to convicts. My efforts to procure an attorney have failed because all of them require monetary compensation, which I do not have because court official(s) have illegally taken my property, I am therefrom forced to be pro-se. The technical rules of court are beyond my powers of comprehension. I do not understand rules of court and I do not understand your paper. The person who helps me with my legal papers is no longer available to me at the prison law library and the prison law library remains largely and predominantly closed due to circumstances of Covid-19 and other security reasons. I cannot have you paper explained to me nor can I provide you with papers until I can get the help I need in the law library. I request an extra thirty days to file, with the Court, any papers due to circumstances beyond my control and any other relief the Court may provide.

I have served copy of this paper upon all parties to this action. I declare under penalty of perjury the foregoing is true and correct.

Very truly yours,
