RE: Michelle Cha Holliman, individually and as personal representative of the estate of Allen B. Holliman v. We Are Sharing Hope SC, Medical University of South Carolina, United Network for Organ Sharing, Jacqueline Honig, M.D., and Darla Welker  
C/A No. 2020-CP-10-02902, Charleston CP  
Appellate Case No. 2021-000487

Dear Ms. Kitchings:

This law firm represents the Respondent, Michelle Cha Holliman, individually and as personal representative of the estate of Allen B. Holliman, in the above-referenced appeal.

Please let this letter serve as notice that the undersigned counsel seeks an extension of 30 days to file Respondent's Brief, making the new deadline Friday, **October 1, 2021**. Appellant We are Sharing Hope SC filed and served its Initial Brief on August 2, 2021. The original deadline to file Respondent's Brief is currently Wednesday, September 1, 2021.

Appellant United Network for Organ Sharing's Initial Brief is due on September 1, 2021. Granting Respondent the requested extension of time would allow Respondent to file a consolidated Response Brief to Appellants We are Sharing Hope SC and United Network for Organ Sharing and put the reply briefs on the same track. Counsel for the Appellants have been notified of this request for an extension by copy of this letter.

Respondent respectfully requests that as a matter of course, our 30-day extension be granted. Please find enclosed a check in the amount of \$50.00. If you have any questions or need anything further, please do not hesitate to contact me.
