**RE: Transcript – Hearing date November 5, 2012
Glenda Couram v Lula N. Davis, Shirley Rivers, et al**

Dear Ms Vernadoe:

I am writing to challenge information transcribed by you for me. I received the transcript on March 26, 2013. The information I am challenging is information we discussed by e-mail but for whatever reason what you heard on your tape even after we spent days collecting the correct case law you used. I also submitted those case laws to the Judge who accepted them as is clear in the transcript page 30

Couram: and, I'd like to submit these, if I can.
The Court: Ma'am?
Couram: May I submit these?
The Court: sure, sure
Couram: Okay
The Court: I'll be happy to take a look at them

Cases misquoted or transcribed wrong phonically and for some reason combined together pages. I have provided pages, lines and the correct cases:

Page 27 Line 22: E'Van v Bagler/Badger is E'Van Fraizer v Badger, No. 25876 (2004);

Page 28 Line 7: Andrew v Ward is

Andrews v. Daw, 201 F.3d 521 (4th Cir. 2000);
Anthony v Ward (UP) 07-1932 (4th Cir 2009)

theses are three distinct and separate cases of law (I do not have any case law saying McAndrews)

Page 28 Line 13: Pye versus Fox, et al., is

Also, is it possible to have this downloaded to me, if so what cost? Thank you for your time and understanding.
