SC Court of Appeals

RE: Jefferson Davis, Jr. v. Ellen Weaver, et al., Appellate Case No. 2019-000648

Dear Ms. Kitchings,

My client, Mr. Randy Page, wishes to withdraw his Respondent's Brief in the above referenced case. The issue of this appeal is whether the Appellant's Amended Complaint was properly stricken for failure to file and serve within the time ordered by the Lower Court. Should the Order of the Lower Court withstand this Appeal, the dismissal of the Amended Complaint and all new defendants named in that complaint will stand. My client finds the arguments of the Brief submitted by Attorney Miles Coleman sufficient and wishes to rely on the merits and fate of those arguments.

In the interest of efficiency my client requests his Respondent's Brief be withdrawn in the above referenced case.

Thank you for your assistance.

Sincerely,

A handwritten signature in blue ink that reads "Geoffrey K. Chambers".

Geoffrey Chambers
