RE: Notice of Appeal

RECEIVED**Aug 19 2021****SC Court of Appeals**

Please take Notice that the defendant as stated above seeks to appeal his conviction on the warrant numbers printed above based on the following facts:

- 1.) Trial court erred in denying defendant's motion for mistrial for prosecution's failure to present the witness list no less than 10 days before trial pursuant to Rule 5(e)(2).
- 2.) Trial court erred in denying defendant's motion for mistrial for prosecution's prejudice to defendant's constitutional right of self-representation referring to defendant as a "Con-man" and his right as a "manipulation tactic."
- 3.) Trial court erred in denying defendant's motion to suppress his custodial interview with law enforcement.
- 4.) Trial court erred in deny defendant's direct verdict motion on the charge of murder.

5.) The court erred in denying defendant's direct verdict motion on the charge of armed robbery.

6.) Ineffective assistance of counsel.

It is for these reasons the defendant respectfully seeks approval of this appeal.
