Good morning,

Last night I submitted a secure message to suptcfilings@sccourts.org, through Kiteworks, with a Motion to Amend Appendix and an Amended Appendix attached because these documents were too large to submit in one email.

This morning, I received a phone call from Supreme Court staff member, Marlena. She explained the Supreme Court IT department does not allow staff to click on any links sent to the filing email. Therefore, I am submitting these documents again as two separate emails. In this first email, please find the State's Motion to Amend Appendix and Amended Appendix Volume 1 of 4 for the following PCR appeal:

Julian Young v. State
Appellate Case No.: 2020-000896

Opposing counsel is copied on this email. I will send Amended Appendix Volumes 2 – 4 of 4 in a separate email.

Please let me know if I can provide the Court with any additional information. Thank you for your assistance with this matter.

Best,

Samantha J. Weidauer
