The Petition for Writ of Certiorari in the above captioned PCR Appeal is due today. I have unfortunately been home sick yesterday and today with yet another round of the stomach virus my assistant and I have passed back and forth three times now. Hopefully this will be the end of it.

I am requesting another extension in this matter. Opposing counsel , Sammie Weidauer, has consented to this request. Tomorrow, when I hopefully will be back in my office, I will send an appropriate petition. I have had a fever all day today and wanted avoid exposing anyone to the virus. Thank you very much.
