APPELLANT'S MOTION TO ORDER TRANSCRIPT  
OUTSIDE OF THE FILING DEADLINE

---

Appellant by and through his undersigned counsel hereby respectfully requests permission from the Court to order the transcripts of the Administrative Law Court proceedings on which this Appeal is made outside of the time provided by the South Carolina Rules of Appellate Procedure. Pursuant to Rule 207 of the SCACR, Appellant must file a request for transcript within ten (10) days of service of the Notice of Appeals. Appellant filed his Notice of Appeals on July 28, 2021 and it was served on the Respondents on the same day *via US Mail*. Following service of the Notice of Appeals, Counsel for Appellant had an unexpected office emergency when the child of her paralegal became ill with suspected COVID-19 necessitating quarantine of the child and the paralegal, during which the time for ordering the transcript of the

Administrative Law Court proceedings expired. Therefore, Appellant respectfully requests leave to request the transcript for the relevant Administrative Law Court proceeding outside of the time provided by Rule 207 of the South Carolina Rules of Appellate Procedure up through and including the date of this filing August 25, 2021.

Respectfully submitted,
