Appellate Case No: **2012-213287**

Dear Ms. Kitchings:

Per your letter to us dated March 25, 2013, please find enclosed one copy of the Proof of Service for Appellant's Designation of Matter in the above-captioned Appeal, which also has been sent this date to Respondent's Counsel of Record by United States Mail.

We understand from a phone conversation that James Orzech had with the Docking Supervisor in your office, Monica, that the second needed correction cited in your letter, "The caption/title for the brief and designation does not comply with Rule 267(a), SCACR," is something that we should correct for the Final Brief, but not now.

Sincerely,

Elizabeth A. Crotty and James K. Orzech
