Re: Michael E. Minor v. State
Appellate Case No. 2012-213306

Dear Mr. Minor:

This responds to your recent letters about this case. The next step in this case will be for your counsel to file the petition for writ of certiorari and appendix. Although these documents are currently due on April 26, 2013, it is fairly common for attorneys with the Division of Appellate Defense to be granted three or four thirty day extensions to file the petition and appendix. Therefore, it will be several months before I would anticipate any further filings in this matter.

If you need further updates on the status of this matter, you should contact your attorney.

Very truly yours,

CLERK
