To Whom It May Concern,

SC Court of Appeals

I received a letter pertaining to my appeal. Appellate Case No. 2021-000693. The letter says: Enclosed is the decision of the Court. The Remittitur will be sent as provided by rule 2a1(b) of the South Carolina Appellate Court Rules.

I don't know what that means. Also I failed to mention in my previous letter that when I was arrested 8/23/19 a girl that was arrested with me claimed ownership of everything that I was charged with but the officer, Brett Ravell, would not allow her to because she couldn't identify exactly what she was claiming and therefore charged me. At the preliminary hearing Brett Ravell lied under oath and said I admitted to him that everything was mine. This case should have never went beyond the preliminary hearing. She claimed them and then he lied and said that I did. That's not fair or right on his part. Thank you for your time.

Thanks Again,

~~Steven~~
