*Re: State of South Carolina v. Warren Tremaine Duvant  
Second Request for Extension of Time to File and Serve Petition for  
Writ of Certiorari and Appendix in the South Carolina Supreme Court  
South Carolina Court of Appeals Case No. 2018-001030*

Dear Hon. Patricia A. Howard, Clerk of Court:

The Petition for Writ of Certiorari to the South Carolina Court of Appeals in the Supreme Court of South Carolina, and Appendix in this matter, is due for service and filing on September 2, 2021. Undersigned counsel lives in Louisiana and was directly affected by Hurricane Ida on August 29, 2021. Hurricane Ida made landfall in Louisiana as a Category 4. Undersigned lives in Covington, Louisiana, which sustained winds and gusts of up to 110+ mph, reportedly, and major flooding. Undersigned does not have electric power at her residence or office at this time, but does have limited access to a generator. Electric power and other utility services in this area have not reported certain times for restoration; however, it is optimistically estimated that services will be restored within one (1) to two (2) weeks. Unfortunately, due to these extenuating circumstances, including the extent of damage caused by the storm directly to undersigned counsel's location, limited access to a power source and uncertain dates of utility service restoration, undersigned respectfully and regretfully requests a twenty (20) day extension in which to file and serve the Petition for Writ of Certiorari and Appendix in this matter. Undersigned has contacted opposing counsel, William F. Schumacher, IV, who does not object to this request.

Thank you for your time and consideration in this matter. I remain,

Very truly yours,

Nisha Sandhu
