Good Afternoon,

Thank you for your email. I just sent an email to Attorney Nick stating that an agreement of dismissal letter needed to be sent. However, since this case is in the petition for rehearing stage please instead send in your request to withdraw the petition for rehearing due to the case being settled to our department's inbox at ctappfilings@sccourts.org

Respectfully,

Ms. Burns,

Good afternoon.

Thank you for the email correspondence seeking a settlement status update.

In this regard, I have attached a copy of my July 16, 2021 email advising you the parties' settlement had been consummated through the South Carolina Workers' Compensation Commission. I further verified disbursement of the settlement proceeds to Mr. Rico Dorsey, as well as the fact we were seeking no further action on our Petition for Rehearing by the Court.

Based upon my prior correspondence, I assumed we had satisfied the Court's previous directive. However, I am happy to take any additional action the Court requires.

Thank you for your consideration.

A. Safran
